About SEAK, Inc.

SEAK, Inc. is the expert witness training company. SEAK has trained thousands of expert witnesses through our seminars, conferences, on-site corporate training, and by working one-on-one with individual experts. Our training is hands-on and covers areas such as report writing, depositions, direct examination, cross examination and ethics. SEAK is retained by both individuals and law firms to train and prepare expert witnesses.

For more information please visit www.testifyingtraining.com or call (508) 457-5150.
Behind thousands of successful cases, you’ll find The TASA Group.

When quality and variety matter, trust TASA when choosing an expert.

For more than 60 years, we have delivered:

- Quality expert witnesses from more than 11,000 fields
- Exceptional personal service
- A proprietary database of experts screened by TASA
- No charge until an expert is designated or engaged
- Industry-leading innovations like free, expert-led CLE webinars, and Challenge History Reports

When you want the shortest route to the largest range of experts, think The TASA Group.

BENJAMIN T. BUSFIELD M.S., M.D., F.A.A.O.S.
DIPLOMATE OF THE AMERICAN BOARD OF ORTHOPEDIC SURGERY
FELLOW OF THE AMERICAN ACADEMY OF ORTHOPEDIC SURGERY

DIABLO ORTHOPEDIC CONSULTANTS, INC.
CEO

Expert Orthopedic Surgeon with 12 years of legal consulting experience. Double Board-Certified Surgeon in active practice with legal consulting interest. Dr. Busfield gives an objective opinion in every case and does not favor defense or plaintiff. The goal is to provide an objective case review, avoid frivolous lawsuits and wasted resources, and convey an understanding of the strengths and weaknesses of each case.

You will be presented with objective views on both sides of your case and an extensive literature review. Complete medical records are necessary for an in-depth and accurate review, and Dr. Busfield insists on seeing all imaging personally for analysis.

- Board Certified in Orthopedic Surgery and Sports Medicine
- Fellow of the AAOS
- Immediate cell phone access to Dr. Busfield
- Rapid initial review and expert reports for any deadline
- Wide spectrum of practice interests allowing expert opinions on nearly all injuries and multiply injured patients
- Legal experience including product liability, malpractice, personal injury, and liens are negotiable
- Education
  - Sports Medicine Fellowship, Kerlan-Jobe Orthopaedic Clinic
  - Orthopedic Surgery Residency, University of California, San Francisco
  - Georgetown University School of Medicine- Summa Cum Laude
  - Georgetown University Graduate School- Graduated with Distinction
  - University of California, Davis- Graduated with High Honors
  - Numerous peer-reviewed published articles on sports medicine, ACL surgery, rotator cuff surgery, joint replacement, and chondrolysis

William Dillin M.D.

Spine Surgery and Spine Medicine Consultant

The concepts of Evidence Based Medicine have been the cornerstone of Dr. Dillin’s education during his spine surgery fellowship in Neurosurgery and Orthopaedic Surgery and the format for decision making in his subsequent practice.

The critical analytic features inherent in the ‘best evidence’ approach to patients have permeated his writing and his lectures, allowing flexible adaptation as the science has changed. The combination of logical clinical analysis based on these principles, and twenty five years of experience exclusively devoted to spine surgery and spine related problems, allows specialty focus on any Independent Medical Evaluations or Medical-Legal Reviews.

William Dillin, M.D. is a spine surgery and spine medicine consultant at the Kerlan-Jobe Orthopaedic Clinic. The Kerlan-Jobe physicians serve as consultants to the Los Angeles Rams, Los Angeles Dodgers, Los Angeles Kings, Los Angeles Sparks, Los Angeles Angels of Anaheim, Anaheim Mighty Ducks, Loyola Marymount University and USC Trojan Football.

Christopher M. Davey, M.D., CWSP

Wound Specialist

30+ Years Experience
Medical-Legal Expert for 20 years

Originally from England, Dr. Davey attended medical school in London and subsequently trained as a pathologist at Mount Sinai Medical Center in Miami, FL. He has practiced in both adult and geriatric medicine continuously since 1987. He is Board Certified by the American Academy of Wound Management as a Certified Wound Specialist.

He has testified extensively for both plaintiff and defense in cases involving geriatric issues, falls, bedsores, pressure ulcers, diabetic wounds, other types of injuries causing wounds, and hospital and nursing home standards of care issues relating to wounds. His pathology background gives him the expertise to also render opinions on cause of death issues. Dr. Davey also has some experience with criminal defense work as well as civil cases.

Christopher M. Davey, M.D.

Pain Management – Medicine

Interventional pain complications, Epidural, facet, ablation, neuropathic, spinal cord stimulator, opioid, stem cell, platelet rich plasma, kyphoplasty, spinal pain, acute/chronic/post operative pain

Dr. Loch is a full time practicing interventional pain management physician in Florida and Georgia. He is board certified in both anesthesiology and pain medicine by the American Board of Anesthesiology. He is currently the medical director of Atlantic Regenerative Joint and Spine Center in Ponte Vedra Beach, Florida. Dr. Loch has personally performed over 9,000 image guided spine, joint, and nerve injections for the treatment of acute and chronic pain. He is currently a treating physician in three FDA approved clinical trials for pain and pain related pathology.

His particular areas of expertise are image guided pain interventions including facet procedures, epidural injections, spinal cord stimulation, kyphoplasty, radiofrequency ablation, peripheral nerve blocks and regenerative techniques including the use of platelet rich plasma and autologous stem cells.

Insurance Expert
Adjuster, Bad Faith, Bicycle, Cannabis, Casualty, Dog Bite, General Liability, Homeowners, Lloyd’s of London, Marijuana, Property, Standards of Practice

Chantal M. Roberts, CPCU, AIC, RPA is recognized by colleagues as a subject matter expert in claims management best practices. She is a highly experienced executive and provides a record of expertise and accomplishments in insurance claims management, bad faith claims management, insurance adjustment strategies, third party administrator best practices, attorney collaboration, and public speaking. She has served as the primary adjuster for clients with a self-insured retention for professional liability.

Ms. Roberts collaborated with attorneys regarding clients’ lawsuits. She also adjusted liability claims for domestic market for restaurants with amusement areas, fun parks, gyms. Ms. Roberts, while acting as an adjuster, managed as many as 100 claims. Ms. Roberts was a member of the senior executive team in charge of 6,000 claims per year involving commercial property and liability, commercial and personal auto liability, inland marine, motor truck cargo, heavy equipment, homeowner property, and dealer open lot losses while at a third-party claims administrator.

HVAC
Mechanical Engineering

Forensic Investigation Expertise:
- Appliances
- Building energy modeling; Freeze damage
- Electrical/Controls
- HVACR
- Pipe failures
- Boilers/Furnaces
- Carbon-monoxide incidents
- Fire sprinkler systems
- Industrial/machinery accidents
- Wind/flood

Additional specialties include:
1) Solar glare evaluation for vehicle accident causation
2) Evaluation of solar glare to abutters caused by solar panels
3) Site/design, performance evaluation of thermal and photovoltaic solar panel systems
4) Low-E Glass concentrated reflective sunlight:
   - Solar fires
   - Melted vinyl siding
   - Blistered vehicle paint
   - Damage to roofing surfaces and other building components

-More than 25 years of forensic engineering experience

Obstetrics & Gynecology

Obstetrical Complications   Fetal Monitoring   VBAC
Gynecological Complications  Labor Management  Cesarean Section
Surgical Injuries           Shoulder Dystocia   Uterine Rupture
Office Obstetrics and Gynecology  Ectopic Pregnancy  Circumcisions

Board certified obstetrician gynecologist with over 30 years of clinical experience in a wide variety of clinical environments: private practice, HMOs, hospital clinics, community hospitals, and university teaching centers. I have served as a medical expert in OB/GYN since 1994, both for the plaintiff and for the defense, preparing each case in a succinct, comprehensive, timely manner.

As an Assistant Professor of Obstetrics, Gynecology and Reproductive Science at the Icahn School of Medicine at Mount Sinai, I taught OB/GYN residents and medical students, both in the clinical setting and with lectures.

Adult Hospital Medicine, Infections, Pneumonia, Electrolyte Abnormalities, Hypertension, Diabetes, Heart Disease, Sepsis, Falls, Stroke, Thromboembolic phenomena, gastrointestinal bleeding, chronic obstructive lung disease, congestive heart failure, Renal diseases, inflammatory bowel disease

Years in Practice: 17
Number of Times Deposed/Testified in Last 4 Yrs: 6

I am a practicing clinician who is experienced with the specific conditions, treatments or procedures in question; I am familiar with the Medico-Legal Process: have experience with standards of care, causation and have (written and oral) testimony experience; I have skills to present and demystify complex medical procedures and treatment regimens to jurors who will not likely understand medical jargon. I am able to communicate this information in a clear and understandable fashion.

Orthopedic Surgery & Sports Medicine

Specialty Focus: Hip Replacement, Knee Replacement, Joint Replacement, Robotic Surgery, Adult Reconstruction, Partial Knee Replacement, MAKOplasty, Orthopedic Trauma Surgery, Knee Arthroscopy, Shoulder Arthroscopy, Anterior Cruciate Ligament Reconstruction, Rotator Cuff Repair

Years in Practice: 20
Number of Times Deposed/Testified in Last 4 Yrs: 20

F.A.A.O.S.
Board Certified

Dr. David Lent is a board certified orthopedic surgeon licensed in New York, New Jersey and Florida specializing in Joint replacement surgery and sports medicine. He has been in clinical practice in Westchester and the Bronx for the past 20 years. He is now Chief of Orthopedic Surgery at St Johns Riverside Hospital and is head clinical director of the Westchester Orthopedic Center. Dr. Lent is a world leader in robotic hip and knee replacement surgery (MAKOplasty) and travels the country extensively lecturing and instructing surgeons in robotics. Dr. Lent has been featured in the Westchester Magazine as one of Westchester County’s “Top Doctors” and has been list in Castle and Connolly for over a decade. Over the past five years, Dr. Lent has become a leader in expert testimony for both plaintiffs and defendants. He specializes in case review prior to legal action as well as court and deposition testimony.

Golf Course Accident Investigation
Analysis & Reports. Golf courses are
my sole focus. Specializing in:
slip and falls & serious injury,
driving range accidents, golf cart
accidents, errant golf balls & property
claims, employee safety,
construction & project management,
golf course risk management &
assessment and golf course signage.
Over 35 years proven experience in the industry;
including working as a golf
course superintendent for over 25 years.
Throughout my career, I have
worked in nearly every position at both public &
private golf facilities. One of
these positions was as a Dir. of Golf Operations,
where my responsibilities
included oversight of the entire operation to include
both the pro shop and all
the golf course maintenance. I have also been an avid golfer for 50+ years.

Eckstine & Associates, Inc. (E & A) provides litigation support, safety consulting, safety training, and engineering consulting services relating to safe use and design of cranes, aerial work platforms, lifts and other construction, industrial, and agricultural equipment. Our expertise regarding lifting equipment is unparalleled.

E & A experts have between 8 and 30 years experience in the product safety or engineering departments of major equipment manufacturers. Dennis Eckstine is our principal consultant and has over 25 years of experience with litigation.

Examples of equipment experience include:

- Aerial work platforms
- Cranes
- Roll back trucks
- Trucks and carriers
- Fork lifts
- Front end loaders
- Farm wagons
- Compacters
- Hoists
- Wire rope
- Fire ladders
- Tracked vehicles
- Tow tractors
- Other construction equipment
- Other industrial equipment
- Other agricultural equipment

Memberships of E & A personnel include:

- Committees of American National Standards Institute
- Committees of American Society of Mechanical Engineers
- American Society of Safety Engineers
- Society of Automotive Engineers
- Founding International Chairman of an ISO Technical Committee
- International Chairman of an ISO Technical Subcommittee
- Former Chairman of International Mobile Crane Technical Committee
- Commissioner for the National Commission for the Certification of Crane Operators

Examples of expertise include:

- Construction Accidents
- Slips, Trips & Falls
- Industrial Accidents
- OSHA
- Personal Injury
- Products Liability
- Human Factors
- Warnings & Instructions
- Machinery and System Design
- Failure Analysis
- Product Design and Liability
- Access and egress
- Walking working surfaces
- Anchor points
- Fall protection
- Crushing avoidance
- Electrical contact avoidance
- Insulated links
- Proximity warning devices
- Rigging hardware
- Stability
- Anti-two-block devices
- Load Moment Indicators/Rated Capacity Indicators
- Load Indicating Devices
- Structural analysis
- Machine guarding
- Ergonomics & human factors
- Warnings
- Wire rope
- Controllers
- Pot hole protection

**Diagnostic & Emergency Radiology**

**Specialty Focus:** Emergency Radiology, Abdominal Imaging, Body Imaging, Thoracic Imaging

Fellowship trained in both Abdominal Imaging and Emergency Radiology, including emergent imaging of the chest.

As the Associate Chief of the Emergency and Tele-radiology Division at University of Pittsburgh Medical Center, I help oversee one of the largest academic Emergency Radiology divisions in the country, servicing 15 UPMC-affiliated hospital ER’s across Western Pennsylvania, including 2 level-one, 2 level-two, and 6 certified stroke centers.

PTSD/Psychiatry

Specialty Focus: Post-Traumatic Stress Disorder, PTSD, Trauma, Psychiatry, Expert Witness,IME, File Review

Years in Practice: 30

Number of Times Deposited/Testified in Last 4 Yrs: 20

Dr. Sheorn is a sole practitioner who specializes in the clinical diagnosis and treatment of PTSD. She is also the Director of Psychotherapy Training at MCV’s Department of Psychiatry at Virginia Commonwealth University where she supervises and teaches the psychiatry residents. She runs a yearly seminar in Human Psychological Development, and holds a weekly case conference where she emphasizes the complexity of diagnosing PTSD. As the recent past-president of the Virginia Psychoanalytic Society, Dr. Sheorn has an exceptional skill in the use of the DSM 5 as well as an understanding of the dynamics and other diagnostic signals that can be necessary to rule out PTSD and rule in a more appropriate diagnosis.

There’s an 84% chance your current insurance policy doesn’t cover you if you get sued for testimony.

And a 93% chance you are paying too much.

Hard to believe but I see it every day. Most forensic professionals have the WRONG type of insurance.

Here how it happens.
Let’s say you’re a forensic medical examiner and you call your local broker. They ask: “Are you a doctor?” You say: “Yes.” They pull a standard medical malpractice policy for a doctor. The term ‘forensic’ is never even discussed and you end up with the WRONG type of insurance.

Go ahead and read your policy. See if it even mentions ‘giving testimony’. If you like, send a copy of your policy to me and I’ll let you know what you’re paying for.

Whether you are an engineer or a legal nurse consultant, my insurance policies are tailored to what you do and the service you provide your clients. Not surprisingly, the CORRECT coverage is often less expensive. Because I understand what forensic professionals do, and in most cases, I can save them money.

Don’t Wait.
Call me at 1-888-313-3226 today to get:
• Advice in error and omission insurance for forensic scientists
• An accurate quote for the CORRECT coverage
• Savings between 30% - 50% in most cases

Search online at www.SEAKexperts.com

Contains over 2,000 expert witnesses indexed by over 21,000 categories.

SEAK’s 2020 Expert Witness Directory

- Over 2,000 expert witnesses, indexed by over 21,000 categories and key words
- Searchable free online at www.SEAKexperts.com or through the detailed print index
- Attorneys contact experts directly, with no middleman
- Detailed information on listed expert witnesses includes:
  - Education
  - Number of years in practice
  - Number of times the expert witness has testified in the last 4 years
  - Areas of expertise
  - Subspecialties, special skills, and experience
  - Contact information
  - Much, much more

About SEAK, Inc.

SEAK is the expert witness training and preparation company. Since its founding in 1980, SEAK has trained many thousands of experts through our highly regarded seminars, texts, and instructional videos. We have been retained by the FBI, Secret Service, IRS and NYPD to train their experts as well as numerous consulting firms and professional societies. SEAK has prepared experts in high stakes matters including medical malpractice, products liability, antitrust, patent litigation, homicide, will contests, and commercial litigation.

For more information, please call (508) 457-5150 or visit www.TestifyingTraining.com
