**MEDICALLY RELATED EXPERIENCES**

**Medical Advisory Board and On-Line Medical Control**, Hatzalah of South Florida and Management Emergency Team (MET), June 2020-Present

Serve as Medical Advisor for Pediatrics and Pediatric Emergency Medicine for this volunteer not-for-profit community-based Florida EMT/Paramedic Organization (Hatzalah) and The Shul/Young Israel Congregation of Bal Harbour (MET). I am a Liaison between Hatzalah first responders and Security Personnel at two Synagogues for online medical control, teach continued medical education (CME) lectures, review Pediatric calls, co-edit community health advisory updates, and offer online Medical Control for Pediatric calls to Organization-Wide First-Responders.

**Representative**, Resident and Fellows Advisory Board Committee - Inova Fairfax Medical Campus, July 2015-June 2017

Serve as liaison between the Graduate Medical Education (GME) Committee with the Residents and Fellows of the Inova Fairfax Medical Campus to implement various programs and policies with hopes of improving residents' and fellows' patient care, education, work environment, and quality of life.

**Active Contributor and Member**, Pediatric Intensive Care Unit Collaboration Committee (PICU) , July 2015-June 2017

Inova Children's Hospital: Pediatric Emergency Department and Pediatric Intensive Care Unit, Falls Church, VA  
Serve as liaison between the Pediatric Emergency Department and Pediatric Intensive Care Unit (PICU) to improve patient care through goal oriented topics including children once admitted from the Pediatric Emergency Department needing upgrades to the PICU from the General Pediatric Floor, respiratory equipment for transferring children to the PICU on HHNC, NCPAP/BiPAP, or Vents from the ED, and better overall communication and teamwork between Medical Staff in both Departments..

**Quality Improvement Researcher** - Pediatric Emergency Department, July 2014-June 2017

Inova Fairfax Children's Hospital, Falls Church, VA  
*Frederick Place*, MD - Medical Director, and *Patricia Todd*, MSN, RN, PCNS-BC - Pediatric Clinical Nurse Specialist  
Serve as point-person in Quality Improvement (QI) project, "*Time to Antibiotics in Hematology/Oncology Pediatric Patients in the Pediatric Emergency Department*". Determine barriers, teach educational intervention, and provide solutions to improving patient care in various Quality Improvement (QI) projects.

**Representative - Pediatric Resident**, Pediatric STOP Sepsis Collaborative Advisory Group Member, July 2012–May 2014

Greater New York Hospital Association (GNYHA), New York City, NY  
*Alissa D'Amelio*, Assistant Director of Quality and Patient Safety  
Served as an active member to formulate standard of care guidelines for sepsis in emergency care to children based on evidence based medicine in the Greater New York Metropolitan Area.

**Contributor**, Pediatric Emergency Medicine Clinical Practice Guidelines, 2013-2014 Academic Year

Cohen Children's Medical Center (CCMC) of New York, North Shore-Long Island Jewish School of Medicine Northwell Health System, New Hyde Park, NY  
*Eric Hoppa*, MD, FAAP, Director of Pediatric Emergency Medicine, Huntington Hospital  
Aided in establishing standard of care guidelines in emergency care to children based on evidence based medicine and serve as an education source for trainees of all levels in the Pediatric Emergency Department.

**Resident and Researcher**, Cohen Children's Medical Center (CCMC) of New York, September 2012–May 2014

Krasnoff Quality Management Institute (KQMI), New Hyde Park, NY  
*Charles E. Cal*, RN, MSN, MBA, CPHQ, Director of Administration and Quality  
Participated in the Course titled, "The Art and Science of Improving Quality Management Principles into Bedside Care for Improved Patient Safety" and researched Quality Improvement (QI) topics "*Does Uncovering the Costs of Laboratory Tests in the ED Eliminate Unnecessary Testing and Finances?*" and "*The Necktie Affair: Are They a Vector of Infection in the Hospital?*"

**Global Health Volunteer Physician**, *La Romana, Dominican Republic*, February 4-17, 2013

Cohen Children's Medical Center of New York Pediatric Resident Program – *Global Health Track*  
*Nancy Palumbo*, MD, Associate Program Director  
Provided direct medical care and distributed personal belongings to Haitian immigrant population living in Bateyes throughout the Dominican Republic. Educated mothers and children on the importance of breastfeeding, handwashing, and health hygiene. Participated in daily rounds and aided in ongoing construction in El Buen Samaritano Hospital.

**Medical Affairs Intern**, Children's Health Fund (CHF), January 2010-February 2011

Children's Health Fund (CHF), New York City, NY

Health Promotion Learning Lab (HPLL) – Harlem Children's Health Project, New York City, NY

*Arturo Brito*, MD, MPH, Chief Medical Officer and Executive Vice President

Prepared and organized necessary initiatives in Essentials of Pediatric Disaster Care, Enhanced Medical Home, Childhood Asthma, Referral Management, Starting Right, Pediatric Medical Mobile Units (MMU's) and Louisiana and Mississippi Pre- and Post-Katrina 5 Year Follow-up. Assisted with presentations for the Annual Global Kids Youth Conference in NYC and Center for Strategic and International Studies (CSIS) in Washington, DC that provide health care and advocacy for America's most vulnerable children through integrative models of primary care, mental health, and oral health services. Co-taught and peer mentored children in STI/Reproductive Prevention and Germ/Handwashing and Oral/Dental Health Workshops. Formulated and co-wrote an academic manuscript on *Interactive Technology and Effective Health Education in Schools (HPLL): A Pilot Study*.

**Clinical Research Intern**, Fall 2009-April 2010; **Clinical Research Coordinator**, June 2005-July 2006

Children's Hospital of Philadelphia (CHOP), Division of Orthopaedic Surgery, Philadelphia, PA

*John P. Dormans*, MD, Chief of Division of Orthopaedic Surgery

Completed clinical Pediatric Orthopaedic research assignments comprising of topics such as LLD, ACL Injury Prevention, Cast Wedging, Walking Spica, Soft Tissue and Bone Sarcomas, Shoulder Instability, Spinal Fractures, and Salter Harris II Distal Femur Fracture (Fall 2009-Present). Designed and coordinated clinical research projects for twelve surgeons, prepared and wrote academic manuscripts and presentations, reviewed patient charts and databases, enrolled patients for ongoing Orthopaedic studies, and assisted Surgeons in the operating room (June 2005-July 2006).

**Academic Associate** - Department of Emergency Medicine, Summer 2004

Hospital of the University of Pennsylvania (HUP), Philadelphia, PA

*Judd E. Hollander*, MD, Director of Clinical Research in Department of Emergency Medicine

Conducted clinical research studies and collected data from patients, as well as gained first-hand experience in clinical emergency medicine and procedures at the Emergency Department. Shadowed Residents and Attending Physicians during patient rounds.

**Research Assistant and Intern**, Children's Hospital of Philadelphia (CHOP), Summers 2004, 2002

Division of Gastroenterology and Nutrition, Philadelphia, PA

*Jonathan M. Markowitz*, MD, MPH, Private Investigator (Summer 2002)*Douglas Jacobstein*, MD, Private Investigator with *Linda B. Hurd*, MSN, CRNP (Summer 2004)

Designed and organized patients' medical histories into a central database for local research projects and integration with data from other clinical centers involved in Inflammatory Bowel Disease (IBD) research studies. Researched the effect of Remicade on the heights and weights of children suffering from Crohn's Disease (CD) (Summer 2002) and the effect of Prednisone on the bone growth of children suffering from CD (Summer 2004). Skilled in clinical epidemiological research studies and the online scientific databases including MEDLINE, Ovid, PubMed, LexusNexus.

**Research Assistant**, National Institutes of Health (NIH) – Summer Student Scholars Program, Summers 2003, 2002

University of Pennsylvania School of Medicine, Division of Gastroenterology, Philadelphia, PA

*John P. Lynch*, MD, Ph D, Private Investigator with *Jonathan P. Katz*, MD, Supervisor

Performed and designed research experiments with Cdx1, a transcription factor, and mRNA levels of macrophage inflammatory protein-3 (MIP-3) in the intestinal epithelium of human colon cancer cells; participated in weekly seminars on current scientific research in GI. Utilized standards based scientific laboratory techniques and testing methods including transient-transfections, ELISA assay, promoter mutagenesis, PCR, gel electrophoresis, DNA/RNA purification, cloning, western blotting, and immunohistochemistry.

**Volunteer and Youth Expert**, Crohn's and Colitis Foundation of America (CCFA), 2001-2005

Division of Gastroenterology and Nutrition, Children's Hospital of Philadelphia (CHOP), Philadelphia, PA

*Susan N. Peck*, MSN, CRNP, Liaison

Head Boys Counselor, Activities Leader, and Lifeguard at CCFA IBD Camp Guts and Glory (Summers 2002-2005)

Youth Representative on IBD Education Day at Children's Hospital of Philadelphia – Panel of Experts (2002, 2001)

Served as a role model and mentor to children ages 5 through 18 with Crohn's Disease and Ulcerative Colitis.

**Youth Delegate** - National Youth Leadership Forum (NYLF) on Medicine, Summer 2000

Distinguished High School Scholars Program - Villanova University, Philadelphia, PA

Participated in medical forums and seminars outlining topics of clinical practice and specialties, medical ethical and legal issues, and global epidemics and life-threatening disease.

Student Forum Speaker: "*Ethical Issues of Stem Cell Research*"

**MEDICAL MEMBERSHIPS**

---

American Academy of Emergency Physicians (ACEP) – Section of Pediatric Emergency Medicine, 2013-Present  
 American Academy of Pediatrics (AAP), 2011-Present

Sackler School of Medicine Chapter of American Medical School Association (AMSA), 2007-2011  
 Physicians for Human Rights (PHR), 2007-2011

#### **LOCAL CONFERENCES, WORKSHOPS, AND COURSES ATTENDED DURING PEM FELLOWSHIP**

\**1st Annual Washington, DC Pediatrics in Emergency Medicine Regional Conference - Moderator of Small Group Case Discussion*, Georgetown University Medical Center, November 3, 2016.

\**Regional Pediatric Emergency Medicine Fellows Conference*, Inova Fairfax Children's Hospital, Children's National Medical Center, and The Johns Hopkins University Children's Center, November 13, 2014, November 12, 2015, and November 10, 2016.

\**Point of Care Ultrasound in the Emergency Department Course*, The George Washington University Hospital, July 11-12, 2016 and July 7-8, 2014, Washington, DC.

\**The Inova Graduate Medical Education (GME) Quality Improvement Annual Symposium*, Inova Fairfax Medical Campus, May 26, 2016, Falls Church, VA.

\**Pediatric Academic Societies (PAS) Annual Meeting*, Baltimore, MD, April 30 - May 3, 2016, Baltimore, MD.

\**Eastern Society for Pediatric Research (ESPR) Annual Meeting*, March 11-13, 2016, Philadelphia, PA.

\**The Mohsen Ziai Pediatric Annual Conference*, November 6, 2015, McLean, VA.

\**Introduction to Bedside Ultrasound Course*, Inova Fairfax Medical Campus, June 17, 2015, Falls Church, VA.

\**Pediatric Emergency Medicine (PEM) Fellows Annual Conference*, March 7-9, 2015, Charlotte, NC.

\**Wound Care Workshop*, Children's National Medical Center, July 9 and 11, 2014, Washington, DC.

\**Multidisciplinary Pediatric Airway Course*, The Johns Hopkins University Hospital, November 7, 2014, Baltimore, MD.

#### **COMMUNITY SERVICE EXPERIENCES**

**Wish-Granting and Wish-Guiding Volunteer**, Make-A-Wish Foundation, 2010-Present

Grant wishes for children with life-threatening and chronic medical conditions. Pair-up in teams to interview children and enable a child to dream by traveling to Disney World (or somewhere else), meeting a celebrity, going on a shopping spree, getting a brand new computer, etc. all the while to enrich the human experience with hope, strength, and joy.

**Co-Chair, Community Service Position**, The Residents and Fellows Forum, Hofstra North Shore-LIJ School of Medicine and Northwell Health System, 2012-2014

Served as a liaison between the Graduate Medical Education (GME) and Office of Academic Affairs with the Residents and Fellows to implement various programs and policies with hopes of improving patient care, education, work environment, and quality of life. Implemented plans for community outreach staffing the North Shore-LIJ Mobile Clinics for assistance in devastated and poverty stricken areas of Long Island and Queens, as well as formulated Quality Improvement (QI) Community Project resources for a multidisciplinary approach to volunteering around the community.

Volunteer - Fugee Fridays, African Refugee Development Center, South Tel Aviv, Israel, 2009-2011

Volunteer - Lasova Soup Kitchen, South Tel Aviv, Israel, 2009-2011

Volunteer - Alternate Spring Break, Habitat for Humanity, Marion, SC, Spring Break 2004

Volunteer - American Red Cross, University of Pennsylvania Chapter, Philadelphia, PA, 2002-2005

Volunteer - Ronald McDonald House of Philadelphia, Kite and Key Organization, Philadelphia, PA, 2002-2005

Co-Director - Hillel Organization Soup Kitchen, West Philadelphia, PA, Fall 2002-2005

#### **INTERESTS, LANGUAGES, AND FUTURE PROJECTS**

**Interests:** Playing intramural sports, collecting antique toy soldiers, taking black and white photographs, studying Judaic texts, and traveling to different states and countries around the world.

**Languages:** English, ktzat Ivrit ("a little Hebrew"), un poquito Español ("a little Spanish")

**Future Projects - Books in Progress:** *A [Funny] Kid's Guide to Crohn's Disease*, *How to Plan a [Memorable] Wedding in Under a Month*, and *Traveling the United States: The Ultimate [Cheap] Road Trip For Couples, Families, and/or Pets*
