

# Trusted Experience Turning Complex Losses into Clear Victories

**Matthew Everett, Principal**

“**everett associates, llc**” offers more than just expert testimony; we act as a strategic partner dedicated to securing the most equitable outcome for your client. Our expertise focuses on identifying the '**critical point**' of your claim defense, backed by a sharp eye for detecting errors in estimation and claimant valuation. We deliver credibility-not just data-providing objective, high-value conclusions of fact that ensure every testimony carries weight, supporting your legal team seamlessly through both mediation and trial.

**The rare intersection of Expert Restoration Science, Claims Adjusting Experience, and Litigation Proficiency.**

## Why Choose Us?

- **Integrity & Objectivity:** Deliver factual, impartial opinions and analysis by the highest professional and ethical standards.
- **Case-Strengthening Reports:** Provide comprehensive documentation where every conclusion is supported by verifiable evidence not opinions.
- **Strategic Clarity & Optimized Outcomes:** Translate complex technical data into clear concise conclusions for the court and client.
