SCHOLARSHIPS / SCHOOL ACTIVITIES

California Endowment Full Scholarship to Medical School **2002-2006**
Mission is to expand access to affordable, quality health care for underserved individuals and Communities, as well as promote fundamental improvements in the health status of all Californians. Scholarship given to pre- med undergraduate student based on academic merit and proven commitment to serve in underserved communities.

Uni-Health Foundation Scholarship **2006**
Mission is to support and facilitate activities that significantly improve the health and well-being of individuals by providing scholarships to a selected third- or fourth-year medical student who has shown commitment to working in medically underserved communities.

Student Teacher-UCLA: **1997-1999**
Selected by professors in the Department of Human Physiology at the University of California Los Angeles to assist professors and graduate student assistants. My main duty was to guide other Human Physiology students in different labs such as the human anatomy lab and lead tutor sessions throughout the quarter helping other students prepare to succeed in this department.

Chicanos for Community Medicine (CCM)-UCLA **1995- 1999**
Organization concerned with healthcare issues in Latino communities and support for pre-medical students. As a member, I created direct contacts at the UCLA School of Medicine and created a mentorship program to create a partnership between pre-med and medical school students to increase rates of admissions to medical students for Latino/Latina students. I was then subsequently elected as the CCM/CMSA (Chicano/Latino Medical Student Association) liaison.

VOLUNTEER / COMMUNITY SERVICE / RECOGNITION

Sazone Su Salud Spokesperson **May 2012 – January 2017**

Physician spokesperson assisting Celebrity Chef LaLa in a diabetes educational campaign aimed to support Merck's response to the Center for Disease Control report on how diabetes disproportionately affects Latinos. I spoke at public engagements to live audiences, television and radio station interviews.
Team Physician Various High School Athletic Teams **September 2008--Present**

Oversee medical care at high school athletic events but mainly varsity football teams. Volunteer for district wide events providing medical clearance physical exams for all school athletic programs.

City of Santa Ana Certificate of Recognition **September 2008**

Presented by Mayor Miguel A. Pulido in recognition and appreciation for founding "Homework in the Hood" in 1993 and the ongoing impact the vision of this program has to serving academic needs of children in Santa Ana.

Orange County Latino 100 List **October 2007**

Nominated and recognized as one of Orange Counties most influential Latino's based on dedication and service to underserved communities and academic achievements.

Mentor in Hippocrates Circle **June 2006 to June 2011**

Mentoring students in the Santa Ana Unified School District who are interested in medical careers.

Do Something Award Recipient

February 1993

Recognized by Do Something; a nationally recognized organization for efforts which produced "Homework in the Hood" (see below).

Founder "Homework in the hood":

December 1991 – Present

Founded a community-based study group in Santa Ana with the intent of creating bridges between Children in Santa Ana and college students

Motivational / Keynote Speaker

December 1990 – Present

I speak at various schools and youth organizations to young people about the challenges of growing up in a disadvantaged neighborhood and how important the choices they make as teen-agers are to their futures.

LANGUAGES, INTERESTS, AND SKILLS

Fluent in both Spanish and English and know basic American Sign Language. Personal interests include mountain biking, hiking, live theatre, writing/performing music and volunteer in community and church activities such as teenage drug and gang prevention. The greatest love of my life is spending time with my wife and children.
