## EXECUTIVE SUMMARY

---

Harvard fellowship-trained, board certified vascular surgeon and Fellow of the American College of Surgeons offering a rare combination of elite clinical credentials, proven practice-building expertise, and hospital governance experience. Founder and President of Vascular Interventional & Vein Associates (VIVA)—a thriving multi-location vascular surgery practice with a dedicated ambulatory surgery center, two office locations, and a 4.89/5 patient satisfaction rating across 273+ reviews. Proven leader at the board level, having served as Vice Chairman of Surgery and Medical Representative to the Board of Directors at Cleveland Clinic Indian River Hospital. Trained interns and residents as Assistant Professor at the University of Miami Miller School of Medicine.

## EXPERIENCE

---

### *Vascular Program*

- Built VIVA from a solo startup (2008) to a multi-location practice with two offices and a dedicated OBL
- Full-spectrum vascular care: open aortic repair, endovascular interventions, carotid surgery, PAD revascularization, limb salvage, and advanced vein treatments for varicose veins
- Established referral network and patient base across Indian River, St. Lucie, and Okeechobee counties

### *Established Surgery Center*

- Operational OBL for outpatient minimally invasive vascular procedures

### *Proven Patient Demand & Outcomes*

- 4.89/5 patient satisfaction rating across 273+ verified reviews
- 25+ year track record of complex vascular care in south Florida and on the Treasure Coast
- Specialist in minimally invasive techniques that reduce hospital stays and accelerate patient recovery

### *Hospital Governance & System Leadership Experience*

- Medical Representative to the Board of Directors - Cleveland Clinic Indian River Hospital (2016–2019)
- Vice Chairman, Department of Surgery, Cleveland Clinic Indian River Hospital (2015–2016)
- Understands system-level operations, quality metrics, credentialing, and physician alignment models

### *Academic & Training Pedigree*

- General surgery residency - University of Rochester, Strong Memorial Hospital, NY (1994-1999)
- Harvard fellowship in vascular and endovascular surgery - Beth Israel Deaconess Medical Center, MA
- Assistant Professor - University of Miami Miller School of Medicine, FL
- Published researcher (Journal of Vascular Surgery) and international speaker

## CLINICAL CAPABILITIES

---

### Arterial & Aortic

- Open & endovascular AAA repair
- Endovascular thoracic aortic aneurysm repair
- Carotid endarterectomy & stenting
- Lower extremity bypass surgery
- Endovascular angioplasty & stenting (PAD)
- Limb salvage — complex & high-risk patients

### Venous & Diagnostics

- Endovenous radiofrequency ablation
- Sclerotherapy
- Microphlebectomy
- Non-invasive vascular laboratory

## PRACTICE & EMPLOYMENT HISTORY

---

**Founder & President** | Vascular Interventional & Vein Associates (VIVA) | 2008 – Present

- Two locations: Vero Beach (960 37th Place, Ste. 104) and Fort Pierce (2215 Nebraska Ave, Ste. 3-D)
- Built and operate a dedicated ambulatory surgery center for outpatient vascular procedures
- Full-spectrum vascular services from non-invasive diagnostics through complex surgical interventions

**Vascular Surgeon** | Vero Vascular Surgery, PA — Vero Beach, FL | 2006 – 2008

**Assistant Professor of Vascular Surgery** | University of Miami, Miller School of Medicine | 2001 – 2006
