## **PROFESSIONAL EXPERIENCE**

---

**GENERAL PHYSICIAN, P.C., BUFFALO, NY**  
**UROGYNECOLOGIST**

**2013 – PRESENT**

- Providing full spectrum surgical expertise in the specialty of Urogynecology and Reconstructive Pelvic Surgery as well as Minimally Invasive Gynecologic Surgery
- Offering strong clinical support, educating others, and leading through role modeling superb patient care

**BUFFALO GENERAL MEDICAL CENTER, BUFFALO, NY**  
**MEDICAL DIRECTOR OF MINIMALLY INVASIVE GYNECOLOGIC SURGERY**

**2015 – 2019**

- Championed the re-establishment of the Gynecology department due to expertise in laparoscopy and robotic surgical skills
- Steered and provided strategic vision and leadership for the Minimally Invasive Gynecologic Surgery department
- Created successful interdisciplinary teams to enhance the quality of care, expanding educational resources to improve physician expertise and patient care
- Successfully built a Minimally Invasive GYN surgery and Urogynecology program
- Using visionary and strategic leadership, expertly guided the department, increasing surgery volume from isolated cases to 300+ cases/year
- Streamlined communication and developed key relationships across functional departments to successfully cultivate a culture of collaboration to navigate complex cases requiring multiple surgical subspecialties

**MCLAREN OBGYN ASSOCIATES, FLINT, MI**  
**OBSTETRICIAN/GYNECOLOGIST**

**2010 – 2013**

- Leveraged unique skill set to launch an innovative Robotic GYN surgery service, applying advanced skills in Minimally Invasive GYN surgery to promote education and access. This resulted in a firmly established MIGS Robotic GYN surgery service currently still in operation

### **EARLY CAREER:**

Obstetrician/Gynecologist (Mirnovsky Hospital & Central Regional Clinical Hospital, Ukraine)
