

RN | WCC | Long-Term Care Wound Care Specialist

PROFESSIONAL SUMMARY

Linda Davis is a seasoned registered nurse with over 20 years of experience specializing in wound care, long-term care, and clinical operations. A certified Wound Care Specialist, Linda has excelled in leadership roles such as Director of Nursing, achieving deficiency-free surveys and improved CMS ratings in skilled nursing facilities. Her expertise includes clinical oversight, regulatory compliance, infection control, and quality improvement initiatives. Linda's collaborative approach and dedication to patient advocacy make her a trusted leader in managing complex cases, particularly in wound care, palliative care, and fall prevention.
