Summary of Expertise

Vonne G. Jones MD is a Board Certified physician in Obstetrics/Gynecology with 13 years of experience as an attending physician in Houston, Texas. Since completing residency, she has served as Chair of the department, member of the Medical Executive, and Infection Prevention Committee. She values education and serves as a preceptor/mentor within the community. She also serves as a volunteer for Mock medical interviews at Rice University. She is the owner of Total Women's care practice in the Heights, and provides high risk obstetric and gynecology to the Houston community.

Dr. Vonne Jones also has a strong interest in clinical trials to facilitate minority participation. Total Women's Care has been a recruiter site for clinical trials and is seeking to become a principal investigator in Women's Health.
