

Curriculum Vitae

Bradley Matthew White, DO RPVI

2740 Stonehill Way, Cumming, GA 30041

Cell: 239.223.9105

BMW7@GEORGETOWN.EDU

Current Work Experience

Interventional and Diagnostic Radiologist
Advanced Vascular and Vein 9/2025-Present

Medical Director
Healthcare Staffing Associates 7/2018-Present
CT-MRI of South Florida 12/2020-Present

Licensure & Certifications

Board Certified in Interventional and Diagnostic Radiology,
American Board of Radiology 10/2024-Present

Georgia Physician License #105153, Clear/Active

Florida Osteopathic Physician License #OS14859, Clear/Active 3/12/2024-3/31/2026

Registered Physician in Vascular Interpretation (RPVI), 248427 3/2022-Present

Wisconsin Physician License, 75351-21 7/2021-12/2023

Florida Registered Nurse, RN9360079 4/2013-7/2016

Medical Training & Education

Fellowship
University of Wisconsin 7/2021-6/2022
Interventional Radiology

Residency
Lake Erie College of Osteopathic Medicine
Diagnostic Radiology Residency 7/2017-6/2021
- Early Specialization in Interventional Radiology (ESIR)

Internship
NOVA Southeastern University
Traditional Rotating Internship 7/2016-6/2017

Medical Degree
Lake Erie College of Osteopathic Medicine 7/2012-6/2016
Doctor of Osteopathic Medicine

Undergraduate Degrees
University of South Florida 7/2010-6/2012
B.S. Nursing
Robert Wood Johnson Foundation Full Scholarship

Georgetown University 7/2004-6/2008
B.S. Human Biology; Honors, with Distinction; Cum Laude

Academic Faculty Appointment

Assistant Clinical Professor 2/2025-Present
Department of Diagnostic and Interventional Radiology
Lake Erie College of Osteopathic Medicine

Past Work Experience

Interventional and Diagnostic Radiologist
BayCare Health System - Radiology Associates of Clearwater 7/2022-8/2025

Interventional and Diagnostic Radiologist, Locum Tenens
Jackson Hospital 1/2025-6/2025

Medical Director
Waters Medical Rehab 4/2024-4/2025
Crypto Medical Clinic 1/2023-4/2025
Wind River Medical Group 10/2018-4/2025
Morales and Medina Physical Therapy 6/2022-4/2025
Yeoli imaging, LLC 5/2023-4/2024
Happy Mental Health 3/2022-2/2024
Aloha Medical Center 5/2023-6/2024

Urgent Care Physician
MD Now Urgent Care 9/2017-6/2021

Registered Nurse Intern
Telemetry/Cardiovascular Step-Down Unit, Oak Hill Hospital 11/2011-6/2012

Phlebotomist
Lee Memorial Health System 7/2008-11/2010
Tampa General Hospital 12/2010-10/2011

Research Grants

LECOM/LECOMT Research Support Grant (\$5,000) 2020-2021
- Point-of-Care Transthoracic Sonographic Evaluation for
Early Detection of Post-Procedure Pneumothorax

AMA Foundation Research Seed Grant Finalist 2014

Hospital & Affiliated Institution Appointments

Morton Plant Hospital, Associate Physician 7/2022-8/2025
Mease Countryside Hospital, Associate Physician 7/2022-8/2025
Mease Dunedin Hospital, Associate Physician 7/2022-8/2025
Morton Plant North Bay Hospital, Associate Physician 7/2022-8/2025
Jackson Hospital, Associate Physician 1/2025-6/2025

Awards

1. Annual Resident Award, American Osteopathic College of Radiology (AOCR) 2020
2. Resident of the Year Award, Florida Radiological Society 2018
3. Intern of the Year Award, NOVA - Larkin Community Hospital 2017
4. Congressional appointment to the United States Military Academy at West Point, NY 2004

Leadership & Service Positions

Society of Interventional Radiology, RFS Governing Council

Chair of RFS Clinical Education Committee

2020

RFS Clinical Education Committee Member

2018 & 2019

Florida Radiological Society, Resident and Fellow Section
President 2020
Vice President 2019
Medical Student Outreach Director 2017 & 2018

ALWAYS Healthcare Organization
Co-Founder and Vice President 7/2008-Present
 - 501(c)(3) Non-Profit
 - Provides healthcare for underserved populations

Diagnostic Radiology Residency at Larkin
Chief Resident 2019
Associate Chief Resident 2018

American College of Radiology
Medical Student Liaison 2018

Postdoctoral Training Courses & Scholarships

Histosonics Physician’s Histotripsy Training Course 2025 – Minneapolis, MN
 Penumbra Peripheral Intervention Course 2023 – Clearwater, FL
 Stryker Spine Jack Cadaver Course 2023 – Miami, FL
 AMP 2020 Resident and Fellow Scholarship - Chicago, IL
 CIO 2019 Resident and Fellow Activity Scholarship - Miami Beach, FL
 SIR 2019 Resident Scholar Award - Austin, TX
 Medtronic Kyphoplasty and Bone Ablation Cadaver Course 2019 - Austin, TX
 Y-90 SIR-Spheres Training Course 2019 - Dallas, TX
 Boston Scientific Fellows Courses 2018 - Minneapolis, MN
 DVT: Diagnosis, Intervention and Patient Management
 CLI: Managing Complex Lower Extremity Disease
 AIR 2018 Resident Fellow Research Scholarship - Washington, DC
 GEST 2018 Fellows Scholarship - Miami Beach, FL
 ISET 2018 & 2019 Resident/Fellow Experience Activity Scholarship - Hollywood, FL
 New Cardiovascular Horizons (NCVH) 2018 Fellows Course Scholarship - New Orleans, LA
 Spectranetics Laser Course at Mt. Sinai 2017 - Miami Beach, FL

Conference Poster & Oral Research Presentations

Oral Presentations

Vascular Disease Management, Official Journal of ISET 2019
 - One Year Follow-Up of a Percutaneous Endovascular Repair of a Very Large Abdominal Aortic Aneurysm with Severe Neck Angulation (Q&A Video Featured on the VDM website) www.vascular-disease-management.com/content/successful-percutaneous-endovascular-repair-very-large-abdominal-aortic-aneurysm-severe

Research Poster Presentations

Florida Radiological Society Annual Meeting, 2019

- Abscopal Effect following Cryoablation of Breast Cancer

New Cardiovascular Horizons (NCVH) Annual Conference 2018

- Successful Percutaneous Endovascular Repair in a Very Large Abdominal Aortic Aneurysm with Severe Neck Angulation (Poster Presentation)

Florida Radiological Society Annual Meeting, 2018

- Increasing Future Career Interest in Radiology Among Pre-Clinical Medical Students: A Retrospective Analysis of a Statewide Pilot Program (Poster Presentation)
- Atypical Giant Cavernous Hepatic Hemangioma: Case Report (Poster Presentation)
- Iatrogenic Subclavian Artery Pseudoaneurysm (Poster Presentation)

ACR 2017 in Washington, DC

- Medical student views of radiology, participation in interest groups, and interest in a state society medical student mentorship program (Poster Presentation)

Florida Radiological Society Annual Meeting, 2017

- Lymphoscintigraphy of Clitoral Melanoma: A Case Report (Poster Presentation)

215th Electrochemical Society Conference, 2009

- Polycarbazole Film Electrodes for the Detection of Dopamine (Poster Presentation)

Georgetown University Research Conference, 2006-08

- 2006 – Chemotactic role of C-Reactive Protein in Ischemic Stroke
- 2007 – CRP, Stroke, and Statins
- 2008 – In Vitro Dopamine Sensing Capabilities of Polycarbazole Electrodes

Grand Rounds Lectures

Acute Stroke Tips and Tricks for the General Radiologist

Ultrasound imaging of the Biliary Tract

Interventional Radiology Tools

Small Bowel Imaging

Prostate Imaging and Indications for Biopsy

Percutaneous Lung and Renal Biopsy

Musculoskeletal Tumors and Tumor-like Conditions
