CONSULTING EXPERIENCE

Founder & Principal Consultant

Vanderhoof Consultant Group, LLC — [Daytona Beach, Florida]

Sept 2024 – Present

- Provide expert witness services for legal teams and organizations across medical, judicial, and professional industries.

- Deliver professional opinions, reports, and testimony for complex legal cases and arbitration.
- Serve as a trusted advisor on compliance, ethics, regulatory frameworks, and professional practice standards.
- Lead client engagements, contract negotiations, and discovery preparation.
- Build collaborative relationships with law firms, government agencies, and corporate clients.

Chief Operations Officer

Corporate Care Consultants, LLC— [Daytona Beach, Florida]

April 2016 – August 2023

- Spearheaded the successful launch of multiple outpatient clinics, overseeing site selection, licensing, staffing, and operational workflows.
- Developed and implemented OSHA and CDC compliance programs, reducing client risk exposure and ensuring consistent regulatory alignment.
- Designed and standardized operational procedures across clinics, increasing efficiency and service quality.
- Provided strategic consulting to healthcare clients on Occupational Health & Safety protocols, injury prevention, and return-to-work programs.
- Led interdisciplinary teams in implementing custom-tailored clinic models, balancing patient care, compliance, and profitability.
- Conducted on-site audits and risk assessments to ensure adherence to federal, state, and industry standards.
- Built and maintained long-term client relationships through a consultative, solutions-based approach.
- Directed financial planning and budgeting for startup and operational phases, maintaining profitability and sustainability.
- Trained healthcare professionals and administrators on regulatory compliance, policy updates, and best practices.
- Played a key role in developing the firm's reputation as a trusted partner in healthcare operations and compliance.

SELECTED PROJECTS & ENGAGEMENTS

- Expert witness in several criminal cases related to sexual assault, domestic violence, workplace violence, and trauma-informed investigations. Services provided have included case review, verbal/written opinions, deposition testimony, and trial testimony.
- Authored comprehensive reports cited in legal proceedings and depositions.

- Subject Matter Expert for the Sexual Assault Response Teams in several counties throughout Florida.
- Program Development consultation for both hospital and community based Sexual Assault Nurse Examiner programs.
- Event Organizer for the inaugural Florida's Forensic Friday in November 2024. This was a State-wide conference for Forensic Nurse Examiners, Victim Advocates, and Law Enforcement with the objective of fostering inter-professional partnerships with those who care for victims of violence.
- Led lectures and panels on forensic nursing best practices, victim advocacy, nursing ethics, and medicolegal complications.
