University of Illinois at Chicago B.S. Biological Sciences Magna Cum Laude and with College Honors	2008 - 2012

Areas of Expert Consultation:

- Surgical complications: penile prosthesis, vasectomy, hydrocele, varicocele, urethral injury, testicular torsion
- Delayed diagnosis: testicular cancer, urethral stricture, bladder, kidney, prostate or urothelial cancer
- Iatrogenic injuries: intraoperative, post-op infections, device erosion, incontinence
- Sexual dysfunction evaluation and management errors
- Standard of care: outpatient and operative urologic settings
- Emergency and trauma-related genitourinary injuries

Expert Services Provided:

- Case merit review
- Record review with written summary
- Expert reports
- Affidavits and certifications of merit
- Deposition and trial testimony (plaintiff or defense)

Clinical Consulting:

I provide independent inpatient and operative urologic coverage across three different hospital systems. Roles involve high-volume call, emergent procedures, and consultative care in both regional and community settings. These roles supplement my primary academic position and reflect hands-on experience with varying standards of care, hospital protocols, and system workflows.

Awards, Honors & Recognition:

- Featured Urology Expert – National Media Coverage on Prostate Cancer
WBBM Newsradio, WGN-TV, CBS News Chicago, NBC Chicago
Invited to serve as a subject matter expert on prostate cancer diagnosis. Delivered live interviews across national and major Chicago media outlets, educating the public on screening, treatment, and survivorship. Total audience reach: 117 million.
- Journal of Translational Andrology and Urology (TAU) - **Reviewer of the Month**. 2025.
<https://tau.amegroups.org/post/category/reviewers>
- Rigicon Urology Scholarship: international surgeon, collaborating with and training urologists worldwide on the placement of penile prostheses and artificial urinary sphincters.

Leadership & Clinical Involvement:

- Chicago Urological Society member of the Board of Directors 2025 – 2026
- Testosterone Supplementation and Prostate Cancer: Guideline Development
Co-lead the creation of an inter-departmental set of guidelines for Cook County Health. Designed to unify practices and promote collaboration, this guideline spans multiple departments and supports system-wide quality improvement. 2025.

- Reviewer for the Journal of Translational Andrology and Urology (TAU). 2025.
- Reviewer for Diseases & Research Journal. 2025.
- Reviewer for Scientific Reports. 2025.
- Abstract Reviewer (Male & Couple Infertility / Sexual Dysfunction / Male Incontinence) for the North Central Section of the American Urological Association. 2025.
- Abstract Reviewer (Male & Couple Infertility / Sexual Dysfunction / Male Incontinence) for the North Central Section of the American Urological Association. 2024.
- Quality Improvement Initiative for CAUTI Reduction 2019 – 2022
- Cook County Health House Staff Association; Executive Board 2019 – 2020
- Medical Awareness in Small Romanian Town Initiative 2011– Present
