PROFESSIONAL PROFILE

EDWARD RUVINS DDS MS MBA MSF MSAC
DABOI/ID DICOI DIDIA FAAID CVA CFE MAFF

Edward Ruvins, DDS, MS, MBA, MSF, MSAC, is a clinician, academic, business, and legal consultant with over 30 years of comprehensive experience in restorative, surgical, and rehabilitative dentistry, with a specific focus on the surgical and reconstructive aspects of oral implantology and complex full-mouth rehabilitation.

A graduate of the New York University College of Dentistry, Dr. Ruvins completed a post-doctoral residency in General Practice Dentistry at St. Luke's–Roosevelt Medical Center, University Hospital of Columbia University, and earned a Master of Science in Oral Implantology from J.W. Goethe University in Frankfurt, Germany. His postgraduate research on Guided Tissue Regeneration and bone regeneration techniques has been published in the *Journal of Implant and Advanced Clinical Dentistry* and presented at the 3rd International MOI Congress in Germany. For several years, Dr. Ruvins served as an examiner for the American Academy of Implant Dentistry Fellowship Examination.

Dr. Ruvins is recognized as a Diplomate of the American Board of Oral Implantology / Implant Dentistry, the International Congress of Oral Implantologists, and the International Dental Implant Association, and is a Fellow of the American Academy of Implant Dentistry.

Dr. Ruvins holds an MBA from The George Washington University, an MS in Finance from the London School of Business and Finance, and an MSAC from Grand Canyon University. His credentials further include Expert in Oral Implantology (Europe), Certified Valuation Analyst (CVA), Certified Fraud Examiner (CFE), Master Analyst in Financial Forensics (MAFF), Mergers and Acquisitions Professional (M&AP), and Nationally Certified Mediation Professional.

Holding a Florida Expert Witness Certificate.

PROFESSIONAL EXPERIENCE

NuSet Dental Implant Centers, Denver, CO
Chief Clinical Officer, Director

2017 – 2021

Executed establishment and successful development of clinical services, managing all aspects of clinical and administrative performance, patient service, and patient assistance within a new dental practice. Maximized partnerships in managing communications between the Board of Directors and clinical staff, establishing leadership during strategic planning, design, and supervising cross-functional teams across multiple organizational levels.

- Clinical practice - Implant dentistry (dental implant-based surgical and restorative spectrum)
- Drafted and launched effective policies and procedures, ensuring accuracy and alignment with regulatory guidelines for daily operations
- Played a role in the Company's establishment, development, and investor relations as a Board of Directors member
- Initiated continuous best practices, leveraging strong evaluation and strategic planning in maintaining team productivity.

Spectrum Dental Group, PLLC., Denver, CO
Principal – Private Practice

2009 – 2023

Facilitated quality service through clinical management and administrative leadership. Crafted policies and guidelines for operations, promoting team coaching and training in achieving exceptional public service. Ensured all policies and procedures aligned with dental protocols throughout state and federal regulations.

- Clinical practice - General Dentistry (Full spectrum, including surgical, restorative, and reconstructive spectrum of implant dentistry)
- Successfully achieved annual business goals in addition to revenue objectives, utilizing a results-oriented and detailed leadership method for achieving operational goals
- Launched the use of key performance indicators in assessing team performance
- Developed multiple clinical and administrative protocols
- Implementation of the practice business model
- Managed practice within the DSO environment

Qualdent PLLC., Denver, CO
Principal - Private Practice

1998 – 2007

Owner of a professional dental practice with a strong record of delivering comprehensive, patient-centered dental care in private practice settings. Skilled in all aspects of surgical, reconstructive, restorative, cosmetic, and preventive dentistry, with advanced expertise in oral implantology, surgical procedures, and full-mouth rehabilitation. Dedicated to maintaining the highest standards of clinical excellence, infection control, and patient communication to ensure optimal outcomes and long-term oral health.

- Clinical practice - General Dentistry (Full spectrum, including surgical, restorative, and reconstructive spectrum of implant dentistry)
- Adept at practice management
- Team supervision and workflow optimization
- Enhancement of patient satisfaction and operational efficiency
- Integration of innovative dental technologies to improve precision, comfort, and aesthetics in care delivery.

PROFESSIONAL CERTIFICATIONS

- Diplomate, American Board of Oral Implantology/Implant Dentistry
- Diplomate, International Congress of Oral Implantology
- Expert in Oral Implantology, ICOI Europe
- Diplomate, The International Dental Implant Association
