---

*Driven, task oriented, efficient and compassionate PA with a broad spectrum of EMR experience, AI certification, and over 21 years of providing excellent patient care.*

## PROFESSIONAL EXPERIENCE:

- 2021-present      **Buckhead Primary Care and Urgent Care;** Atlanta, GA  
Physician Assistant responsible for providing Primary Care and Urgent Care, to a broad pediatric and adult patient population.
- 2006-2021      **Northside Family Medicine and Urgent Care;** Atlanta, GA  
Physician Assistant in this suburban, fast paced Urgent Care center. Responsibilities include diagnosing and treating a large variety of both pediatric and adult patients with both acute and chronic medical problems, as well as performing wound repair and other minor surgical procedures. During the Covid-19 pandemic, provided Telemedicine services.
- 2006-2010      **Northside Hospital Emergency Department;** Atlanta, GA  
Worked on a per-diem basis at this busy metro Atlanta Emergency Department. Was responsible for management of acutely ill patients in both the Fast Track Urgent Care and main Emergency Department.
- 2006-2009      **Concentra Medical Center;** Atlanta, GA  
Practiced Occupational Medicine, including DOT physicals and treatment of Worker's Compensation injuries on a per-diem basis.
- 2005-2006      **Mount Auburn Hospital Emergency Department;** Cambridge, MA  
Physician Assistant in this fast paced Harvard Medical School community teaching hospital. Responsibilities included providing Urgent care evaluation and treatment to patients in the PA staffed FasTrack Emergency Department, as well as managing acute care patients in the main ED. Also served as preceptor to both PA and medical students.
- 2003-2006      **The Cambridge Hospital Emergency Department ;** Cambridge, MA  
Physician Assistant in this Harvard affiliated community teaching hospital. Played integral role in all aspects of patient care in the ED. Performed acute care interventions such as intubations, central lines, and lumbar punctures.
- 2003-2005      **Brigham and Women's Hospital Emergency Department;** Boston, MA  
Member of the first Physician Assistant group employed in the Emergency Department of this leading Level 1 Trauma center and Harvard teaching hospital. Duties included providing urgent and emergent care to a wide range of patient populations under individual Physician supervision, as well as precepting PA and Harvard medical students.
