FIRE AND EMS CONSULTANT AND EXPERT

CURRICULUM VITAE

Fire & Emergency Medical Services Expert Witness

Fireground Tactics & Strategy • Emergency Vehicle Operations • EMS Standard of Care
Founder & Principal – Anderson Consulting and Training, PLLC

PROFESSIONAL SUMMARY

Michael K. Anderson is a nationally retained Fire and Emergency Medical Services (EMS) expert witness with **40 years of combination of operational, supervisory, command, and instructional experience** across municipal, state, federal, and private-sector emergency services.

He provides **litigation support, expert analysis, and testimony** in matters involved:

- Emergency vehicle collisions (EVO / due regard / causation)
- EMS standard of care and clinical decision-making
- Fireground tactics, command, and fire behavior
- Supervisory liability and failure-to-train
- NFPA compliance and operational standards

Mr. Anderson has been retained in **multi-jurisdictional litigation nationwide** by plaintiff and defense counsel, including municipalities, and law firms. His opinions are **methodologically grounded, standards-based, and rendered within a reasonable degree of professional certainty**, consistent with:

- **Federal Rule of Evidence 702**
- **Daubert v. Merrell Dow Pharmaceuticals**

He is known for delivering **clear, defensible, and jury-comprehensible opinions** rooted in experience, education and training.

II. AREAS OF EXPERTISE

- Emergency Vehicle Operations (EVO) & Collision Causation
 - Fireground Tactics, Strategy & Incident Command
 - Fire Behavior
 - EMS Standard of Care & Documentation Liability
 - BLS Decision-Making & Clinical Assessment
 - Supervisory Liability & Training Deficiencies
 - NFPA Standards & Operational Compliance
 - Human Factors & Risk Management in Emergency Response
-

III. EXPERT WITNESS CASE EXPERIENCE

Testimony History

(Deposition and Trial)

1. *Robert Danbom v. Los Angeles Fire Department, et al.*

Superior Court of California, County of Los Angeles

Case No.: 22STCV28056

Retained by: Plaintiff – 05/29/2025

Subject Matter: Fire apparatus collision / gross negligence

Testimony: Deposition – Active

2. *Allstate Insurance Company, et al v. City of Chicago, et al..*

Circuit Court of Cook County, Illinois

Case No.: 2024L005646

Retained by: Plaintiff – 07/07/2025

Subject Matter: Fire apparatus vs structure collision/causation

Testimony: Deposition / Trial Stand-by

Outcome: Plaintiff verdict

3. *Sherri Hunter v. Providence Health Services, et al.*
Thurston County Superior Court, WA
Cause No.: 24-2-000024-34
Retained by: Plaintiff – 11/05/2025
Subject Matter: EMS standard of care / delayed STEMI recognition
Testimony: Deposition
Outcome: Plaintiff verdict

4. *Gregory Weber, et al. v. City of Vancouver*
Clark County Superior Court, WA
Cause No.: 24-2-00376
Retained by: Defense – 08/15/2025
Subject Matter: Negligence / municipal liability
Outcome: Active

5. *Enrique Antonio Martin Munoz v. American Medical Response, Inc.*
Riverside County Superior Court, CA
Case No.: RI-CI032
Retained by: Plaintiff – 02/13/2026
Subject Matter: Ambulance collision/causation
Testimony: Opinion for SMJ Motion by defense
Outcome: Defense SMJ Granted

6. *Scott Gordon v. City of Tamarac / Estate of Anthony Sahlipre*
Broward County Superior Court, FL
Case: Litigation
Retained by: Plaintiff – 01/26/2026
Subject Matter: Aide Unit collision/causation
Testimony: N/A
Outcome: Active – Litigation phase

IV. METHODOLOGY

Mr. Anderson applies a structured, reliable methodology including but not limited to:

- 1. Comprehensive Record Review**
 - PCRs, dispatch logs, CAD data
 - Depositions, policies, training records
- 2. Standards-Based Analysis**
 - NFPA (1500, 1451, 1002, 1561)
 - National EMS Education Standards
 - State and regional EMS protocols
 - ICS/NIMS doctrine
- 3. Clinical / Operational Evaluation**

- Patient assessment & deterioration recognition
 - Fireground size-up & command decisions
 - Driver/operator conduct & due regard
4. **Causation Framework**
- Foreseeability
 - Preventability
 - Substantial factor / proximate cause

All opinions are rendered to a **reasonable degree of professional certainty.**

Anderson Consulting and Training, PLLC – WA | 2024–Present

Founder / Principal / Expert Witness

City of Ruston Fire Department – WA | 2010–2023

Assistant Fire Chief | Captain | Training Officer | EMT

Pierce County Fire District #14 – Puyallup, Washington | 1998 – 2000

Firefighter II / EMT

American Medical Response (AMR) – WA | 1996–2013

EMT | Crew Chief | Training Officer | EVO Instructor
State EMT Evaluator

Eldorado Hotel and Casino – Reno, Nevada | 1991 – 1996

EMT – EMS Division Manager

Washington State DMAT (FEMA) | 2000 – 2013

EMT | Federal Disaster Response (9/11, Hurricane Katrina)

CAL FIRE – Riverside County, CA | 1982 – 1991

Fire Apparatus Engineer / EMT

Firefighter II / EMT

Functioned as Initial Incident Commander

VI. OPERATIONAL EXPERIENCE

- **Patient Contacts:** ~25,000
- **Structure Fires:** ~100
- **Initial IC Responses:** ~60

These are **conservative, experience-based estimates** consistent with industry practice.

VII. EDUCATION, TRAINING & CERTIFICATIONS

National Fire Academy (Command & Control of Incident Operations, Multiple-Alarm Command & Control of Incident Operations, Incident Command for High-rise Operations, and Incident Safety Officer)

- FEMA ICS 100–800 (NIMS compliant)
 - IFSAC Fire Instructor I
 - AHIMT Type 1-3, Incident Commander, Deputy Commander and Operations Section Chief
 - Washington State HazMat Incident Command
 - TEEEX WMD Incident Management
 - ACLS, PALS, PHTLS (long-term clinical training)
 - Currently ongoing additional multiple continuation education – Fire/EMS
-
