## PROFESSIONAL EXPERIENCE

**Land of Goods Vocational Consulting - Vocational Evaluator & Trainer**

2024–Present

Examine individuals in the workplace and provide an analysis of the Labor Market at the Local, State and National level. Offers Transferable Skills Analysis, Vocational Evaluations, Medical Review for Functional Capacity Evaluations, oversight of Psychological Evaluations, Job Skills Training, and Simulated Workplace Assessments. Provides extensive information utilizing the Dictionary of Occupational Titles (DOT), the Occupational Outlook Handbook (OOH) and the Occupational Information Network (O\*NET). Train staff and review reports to ensure accuracy and compliance with standards.

**State of Florida, Vocational Rehabilitation - Supervisor & Counselor**

2022–2025

Managed vocational rehabilitation unit by hiring, training, evaluating, facilitating, and providing technical assistance to ensure the provision of vocational rehabilitation services to individuals with disabilities so they may attain or maintain employment. Evaluated quality of casework to ensure that team members work in partnership with eligible individuals to attain a quality employment outcome. Managed and coordinated financial resources to ensure effective and efficient provision of services according to state and federal regulations and policies.

**State of Florida, Division of Blind Services – Employment Specialist**

2021–2022

Provided comprehensive job placement and career support services to individuals with physical, intellectual, developmental, and/or psychological disabilities. Focused on helping clients achieve meaningful, competitive employment by leveraging individualized support plans, employer engagement, and inclusive workforce development strategies. Facilitated employer education on disability inclusion, ADA compliance, and best practices for supporting employees with diverse needs.
