FORENSIC & EXPERT WITNESS EXPERIENCE

Forensic Psychiatrist, Private Practice

Current

Georgetown Forensic Psychiatry | Washington, DC

- Retained by attorneys for expert witness services in criminal and civil matters across multiple jurisdictions (NJ, VA, DC, CO)
- Perform independent medical examinations (IMEs), forensic evaluations, and comprehensive record reviews for litigation support
- Provide competency to stand trial and sanity at the time of offense evaluations, fitness for duty evaluations, guardianship and testamentary capacity assessments, and personal injury and disability evaluations
- Prepare detailed written expert reports and provide deposition and trial testimony

Forensic Psychiatrist

Current

Ann Klein Forensic Center, NJ Dept. of Health | Trenton, NJ

- Complete court-ordered evaluations of defendants for Competency to Stand Trial and Not Guilty by Reason of Insanity; 40+ criminal forensic cases to date
- Prepare comprehensive written reports on competency and sanity status for presentation to the Court
- Provide expert testimony during competency and sanity hearings; certified as Expert Witness in the State of New Jersey

CLINICAL EXPERIENCE

Psychiatrist

January 2026 - Present

University of Colorado / Colorado Dept. of Corrections | Colorado

- Perform intake assessments and provide psychiatric care for incarcerated individuals at the Colorado Department of Corrections
- Senior Instructor at the University of Colorado Department of Psychiatry
- Specialized knowledge of psychiatric care in correctional settings: medication management, suicide risk, malingering, competency restoration, and the intersection of mental illness and the criminal justice system

Emergency Psychiatrist

Current

Capital Health | Trenton, NJ

- Evaluate patients in psychiatric crisis to determine appropriate and safe disposition; complete involuntary commitment documentation
- Active clinical practice keeps evaluations grounded in current treatment standards and real-world clinical decision-making - strengthening opinions on standard of care, causation, and reasonableness of treatment

Psychiatrist

August 2023 - February 2026

US Department of Veterans' Affairs | Pittsburgh, PA

- Managed full panel of patients for a range of psychiatric conditions including PTSD, Depression, Anxiety, Bipolar Disorder, and Schizophrenia
