Allied Medical Clinician: Baylor, Scott and White Institute for Rehabilitation, Dallas, Las Colinas, and Frisco, Texas

Consultative Neuro-Optometry: Pate Rehabilitation-Dallas/Anna, Centre for Neuro Skills-Irving, Rehab Without Walls; Collage Rehabilitation, private practice therapy. Methodist Hospital, Richardson, HCA McKinney Rehabilitation

Current Board Appointments

President, Neuro-Optometric Rehabilitation Association (<https://noravisionrehab.org>)

Past President, International Sports Vision Association (<https://sportsvision.pro>)

Publications:

“The Efficacy of Neuro-Vision Rehabilitation Therapy in Patients with Visual Snow Syndrome,” *Frontiers of Neurology*, December 2022

Presentations Since 2016

- | | |
|---------|---|
| 11/2025 | Visual Snow Masterclass, London, England (7 hours) |
| 10/2025 | Northeast Congress of Optometry, Boston, Mass; Visual Snow Syndrome (2 hours), Sports and Performance Vision (3 hours) |
| 9/2025 | NORA 2025, Denver Colorado; Ask the Experts, Craig Hospital Panel |
| 7/2025 | Parker University, Dallas Texas; Neurocon; Visual Snow Syndrome |
| 5/2025 | Dallas County Optometric Association, Dallas, TX, Nutrition and Vision |
| 4/2025 | NYSOA, White Plains NY; Visual Snow Syndrome, Nutrition and Vision |
| 10/24 | Philippines College of Optometrists, Manila Philippines
Visual Snow Syndrome
Neuro-Optometric Rehabilitation
Sports Vision |
| 9/24 | Neuro-Optometric Rehabilitation Association, Kissimmee, Florida
Neuro-Optometric expert roundtable moderator |
| 8/24 | International College of Behavioral Optometry, Ottawa, Canada
Visual Snow Syndrome update, Hospital-Based Neuro-Vision
Rehabilitation |
| 4/24 | Neuro-Optometry, Nepal Eye Hospital, Kathmandu, Nepal |
| 3/24 | Society for Brain Mapping and Therapeutics |
| 11/23 | World Behavioral Vision Conference, New Concepts in Neuro-vision
Rehabilitation (12 hours), San Diego, California |
| 9/23 | Tree House Eyes Meeting: VT and Myopia Management (1 hour) |
| 6/23 | Visual Snow Master Class, Miami, Florida (12 hours) |

5/23	Neuro-Optometric Rehabilitation, Krakow, Poland (12 hours)
3/23	Visual Snow Master Class, Sydney Australia (12 hours)
2/23	Performance Vision Summit: Online: Neuro-Optometry Champion
2/23	International Sports Vision Association, Frisco, Texas; The Amblyopic Hockey Player: case report, How Sports Vision Contributed to the development of treatment protocols for Visual Snow Syndrome
1/23	Visual Snow Master Class, Dallas Texas (12 hours)
11/22	TOA Icon Meeting, Dallas, TX. Specialty eyeglass lenses
10/22	COMOF Meeting, Guadalajara, Jalisco, Mexico Visual Snow: What does the Research Tell Us Hospital based- Neuro-vision rehabilitation care
9/22	Neuro-Optometric Rehabilitation Association, Columbus Ohio (remotely), Visual Snow Syndrome
7/22	Dallas County Optometric Society, Dry eye Syndrome and other Practice Specialties
4/22	University of Incarnate Word Rosenberg College of Optometry; Developing a Niche Practice
4/22	Optometria 2022, Kraków, Poland; Sports Vision Workshop; Sports Vision lectures-varied
2/22	Texas Optometric Association, Austin, Texas; Sports Vision Workshop; Hospital Based ABI Clinic
2/22	International Sports Vision Association, Orlando, Florida, Giving Soccer Players the Edge with Vision and Neurocognitive Training
1/22	Dallas County Optometric Society, Dallas, TX: Myopia Management: Concepts for Successful Testing and Treatment
12/21	Quigley Eye Associates, Ft. Myers, Florida: Tips for Starting a Sports Vision Practice.
11/21	III Panamericano Optometria, Merida, Mexico, Technology in a Sports Vision Practice; Vision Rehabilitation and Therapy for Patients with Post Concussion Syndrome
10/21	PECCA Online Meeting: Sports Vision in your practice
9/2021	Vision Expo West; Establishing a Sports Vision Practice: Tips from the Pros
9/2021	Migraine Symposium; Visual Snow Syndrome

9/2021	IPAO: Sports Vision and Rehabilitation Conference; Sports Vision and Vision Rehabilitation: TBI, CVA and Concussion
8/2021	Myopia Management, When Orthokeratology is not an option
6/2021	Vision Expo East; Establishing a Sports Vision Practice: Tips from the Pros
5/2021	Eyesight 2020: Myopia: A Two Phase Treatment Approach
5/2021	Eyesight 2020; ABI, Concussions and Cerebro-vascular accidents: What Do I Have To Know?
2/2021	International Sports Vision Association; Concussion and Sports Vision
1/2021	SCO Student Meeting: The Specialty EyeCare Practice in Today's World
10/2020	Myopia Management Online Course
10/2020	Concussion Workshop, IAFNR Online Meeting
09/2020	Northeast Congress of Optometry: TBI, Sports Vision and Neuro-inflammation
07/2020	Whats Vision Got To Do With It, Barral Institute
06/2020	Surviving COVID 19-Sports Vision Virtual Conference
05/2020	I Love VT Virtual Conference, Sports Vision
04/2020	I Love VT Virtual Conference, Hospital Based Acquired Brain Injury Practice
02/2020	Glia Conference, Vision a Piece of the Sensory Puzzle, Dallas, Texas
02/2020	CE Wire Virtual Conference, Neuro-Vision Rehabilitation: What Does A Primary Eye Care Doctor Need to Know
02/2020	International Sports Vision Association, Advanced Sports Vision Workshop, San Diego, California
10/2019	International Association of Function Neurosciences and Rehabilitation, Vision and its Integration with Other Sensory Inputs, Henderson, NV
08/2019	Dallas County Optometric Society: Developmental Vision Care and Novel Uses of Lenses, Dallas, TX
08/2019	COVT and R AGM: Acquired Brain Injury- What Do We Have To Know? Vancouver, BC, Canada
07/2019	Oregon's Meeting: Novel Uses of Lenses to Help our Patients, Eugene, Oregon
06/2019	SPATS/SPHEM Meeting: The Role of Vision in Athletic Performance,

Austin, TX

- 02/2019 OEP Great Lakes Symposium: Technology, lenses, nutrition to help our patients, Northglenn, Ill
- 01/2019 OEP RCS Course "Vision Consequences and Treatment Following a Traumatic/Acquired Brain Injury: The What's and the How's, San Antonio, TX
- 11/2018 OEP RCS Course: "Vision Consequences and Treatment Following A Traumatic/Acquired Brain Injury: The What's and the How's, Burlington, Ontario, Canada
- 10/2018 "Use of Passive Therapeutic Lens for Treatment of Ehlers-Danlos Syndrome," International Academy of Functional Neurology and Rehabilitation, Phoenix, AZ
- 10/2018 "Vision Viewpoint in TBI (Concussion) Management", International Academy of Functional Neurology And Rehabilitation, Phoenix AZ
- 10/2018 "Novel Uses of Lenses in Optometric Practice, Bexar County Optometric Society, San Antonio, TX- 2 hours
- 09/2018 Vision Consequences and Treatment of a TBI, Baylor Scott and White Institute for Rehabilitation, Frisco, TX- 1 hour
- 07/2018 COMOF Symposium Testing and Treatment for Acquired Brain Injury 15 hour workshop Puebla City, Pue, Mexico
- 05/2018 Pan American Congress of Optometry, Cartagena, Columbia: Sports Vision; Technology in a modern vision therapy practice; TBI Workshop
- 04/2018 International Congress of Behavioral Optometry, Sydney, Australia; The Use of Neuro-Therapeutic Lenses for Patients who have had Traumatic/Acquired Brain Injury
- 02/2018 International Sports Vision Association; Setting up a Sports Vision Screening Workshop
- 12/2017 Southlake Texas: The use of NaturalVue contact lenses for Myopia management and Presbyopia
- 12/2017 Sydney, Australia 2 day course: Vision Testing and treatment of Acquired Brain Injury
- 10/2017 Eastern States OEP Regional Symposium: Sports Vision; Vision Testing and Treatment of Traumatic Brain Injury
- 09/2017: COMOF Meeting, Merida, Yucatan, Mexico: Technology in the Vision Therapy Practice; Epigenetics and Optometry
- 09/2017 Neuro-Optometric Rehabilitation Assn, Advanced NORA Course: Neuro-Optometric Patients from ALS to Zika

05/2017 OEP TBI RCS Course- Palm Beach, Florida

05/2017 Dallas Neuro Conference, Grapevine, TX; Vision Consequences and Treatments following a Traumatic/Acquired Brain Injury (for Therapists)

03/2017 Revive Center Lecture, Denver, CO; Vision: A Piece of the Sensory Puzzle

02/2017 Texas Optometric Association, Austin, TX; Vision Rehabilitation and Therapy: When Glasses are Not Enough

11/2016 International Association of Functional Neurology and Rehabilitation- Annual Meeting- Visual-Neural Pathways and Processing: Neuro-Developmental Optometry and Functional Neurology Working Together

10/2016 International Sports Vision Association Annual Meeting; Pittsburgh, PA Sports and Performance Vision

10/2016 UIWRSO Student COVD Group: Vision Rehabilitation and Therapy- When Glasses are not enough

09/2016 COMOF Meeting: TBI Symposium/Sports Vision

09/2016 Neuro-Optometric Rehabilitation Association, Epigenetics

08/2016 Regional Clinical Symposium: Vision Treatment for Traumatic Brain Injury

03/2016 Baylor Institute for Rehabilitation- Dallas: Vision Rehabilitation after a TBI

02/2016 Pate Rehabilitation-Anna: Vision Rehabilitation after a TBI

01/2016 NORA meeting-Austin, TX- 2 presentations on Vision treatment after TBI/ABI
