PROFESSIONAL SUMMARY

As a Certified Nurse-Midwife with more than 20 years of nursing experience in the Army, I am passionate about providing compassionate, patient-centered care to women and families across the lifespan. My background in obstetrics, women's health, ultrasonography, and hospital-based care has strengthened my ability to deliver comprehensive care while collaborating effectively with interdisciplinary teams. I am committed to building meaningful patient relationships, promoting preventive AND complementary alternatives, supporting the mission of delivering high-quality care within a virtual platform that focuses on the individual not the chart.

EDUCATION

Doctorate of Nursing Practice: Nurse Midwifery, 2020
University of Utah – Salt Lake City, UT
Master of Science: Nursing Education, 2015
South University – Savannah, GA
Bachelor of Science: Nursing, 2006
Purdue University – West Lafayette, IN

CLINICAL EXPERIENCE

Certified Nurse Midwife Part Time OBHG Hospitalist– Tacoma General, WA | May 2026-Current

- Provided high-acuity obstetric care as an OBHG hospitalist, managing labor, delivery, obstetric emergencies, triage, and postpartum care while collaborating with interdisciplinary teams to ensure safe patient outcomes.
- Delivered patient-centered women's health care across the lifespan, including preventive care, patient education, chronic disease management, and coordination of referrals and follow-up care.
- Demonstrated strong clinical decision-making, independent practice, interdisciplinary collaboration, and accurate EHR documentation (Epic) in fast-paced hospital and women's health settings.

Certified Nurse Midwife Madigan Army Medical Center – Tacoma, WA | Oct 2023 – May 2026

- Deliver evidence-based infertility and women's health care, managing complex conditions such as PCOS, thyroid disorders, and endometriosis; perform IUI procedures,
- Utilized telehealth to establish individualized care plans, and collaborate with reproductive endocrinology specialists to optimize outcomes
- Offer full-scope hospital-based midwifery care across the lifespan

- Support Family Medicine/OB-GYN resident education
- Credentialed in Gynecological Ultrasound for Fertility Cycle management

Chief, Midwifery Service *Tripler Army Medical Center – Honolulu, HI | Jul 2020 – May 2023*

- Oversaw midwifery operations, managing staff and schedules while spearheading quality improvement initiatives to elevate patient outcomes and team efficiency.
- Provided full-scope, hospital-based midwifery care, ensuring patient-centered and evidence-based practice from menarche to menopause
- Served as attending provider for OB/GYN residents, fostering role transition and clinical skill development contributing to graduate medical education
- Provided expert clinical analysis of military obstetric legal review cases, assessing documentation, adherence to evidence-based practice, and regulatory compliance to inform leadership decision-making and risk management efforts.
