

NEURO EXPERTS®, PC

Clinical, Academic, and Forensic Services

CURRICULUM VITAE

David Y. Ko, M.D.

Board Certified Neurologist

Tel: 1-833-VERITA-1 (1-833-8374821); EXT: 3

E-mail: dko@neuroexpertsgroup.com

www.neuroexpertsgroup.com

Board-certified Neurologist with 33 years of extensive clinical, academic, and leadership experience, including serving as Chief of Neurology at two major medical institutions: LAC+USC Medical Center and the Loma Linda VA Medical Center. Recognized expert in general neurology with highly specialized capabilities in epilepsy, epilepsy surgery, traumatic brain injury (TBI), and PACT Act-related chemical and toxic exposures. Accomplished researcher and educator with nearly 100 peer-reviewed publications, a history of FDA drug trial investigations, and over 700 medical presentations delivered worldwide. Highly active medical-legal expert witness holding active medical licenses in over half of U.S. states, with proven expertise in federal and state court testimony, hospital peer review, and media communications.

Education:

1976-1979 Great Neck South High School
Great Neck, N.Y.

1979-1983 B.A., Columbia University
New York, N.Y.

1983-1988 M.D., George Washington University
Washington, D.C.

Medical Internship:
1988-1989 Yale University School of Medicine (Waterbury Hospital) Waterbury, CT.

Neurology Residency:
1989-1992 Thomas Jefferson University Hospital Philadelphia, PA. Chief Resident

1991-1992 National Institute of Neurological Disorders and Stroke
(NINDS) National Institutes of Health (NIH), Bethesda, MD

Fellowship:

1992-1994 Clinical Associate in Epilepsy, Epilepsy Research Branch
1994-1995 Clinical Associate in EEG, Clinical Neurophysiology Unit

Academic Appointment:

1995-2002 Assistant Professor of Clinical Neurology, USC School of Medicine
1995-2017 Associate Director USC Adult Epilepsy Program
1995-2009 Director of EEG Lab LAC+USC Medical Center
2001-2002 Acting Chief of Neurology LAC+USC Medical Center
2002-2009 Chief of Neurology LAC+USC Medical Center
2002-2017 Associate Professor of Clinical Neurology, USC School of Medicine
Associate Professor of Clinical Neurology, Loma Linda School of Medicine

Clinical Appointment:

USC University Hospital, 1995-2017
 LAC+USC Medical Center, 1995-2017
 USC/Norris Cancer Center, 1995-2017
 Los Angeles Veterans Administration CBOC PT Staff Physician 1995-2017
 Loma Linda Veterans Administration Hospital Staff Physician 2017-

Board Certification:

Diplomate of the National Board of Medical Examiners, 1989; # 349761
 Diplomate of the American Board of Psychiatry and Neurology, 1994; # 39082
 Added Qualification in Clinical Neurophysiology, 1997, recertified 2007, 2017 #862
 Added Qualification in Epilepsy, 2013 #230
 Diplomate of the American Board of Clinical Neurophysiology, 1996

Licensure: California Medical License 1995 - ; G81872

Other Training/Experiences:

1991-1992	Emergency Room Admitting Officer of the Day, V.A. Hospital Wilmington, Delaware
1992	Minifellowship in Epilepsy with J. Kiffin Penry, M.D. Bowman Gray School of Medicine of Wake Forest University
1995	Core Curriculum in Clinical Research National Institutes of Health, Bethesda, MD
2000	Responsibilities and Requirements for the Protection of Human Subjects in Research, USC, Los Angeles, CA

Honors:

NIH Summer Research Fellowship For Medical Students
 Biological Psychiatry Branch, NIMH, NIH, 1984

William Beaumont Medical Research Society
 George Washington University School of Medicine, 1985

Who's Who in Medicine and Healthcare 4th ed, 2002

America's Top Physicians, Consumers' Research Council of America, 2004-2005

Pasadena Magazine Top Doctors 2012

Military Service:

1992-95	Medical Officer of the U.S. Public Health Service: Lt Commander
1995-2010	Reserve Medical Officer of the U.S. Public Health Service

Editorial Board

Department Editor of Neurology in the Veterans Health System Journal 1998-2002
 Associate Editor Neurology Journal of Medical Case Reports 2010-2014

Editor of the Korean American Neurological Association Newsletter 1996-2003
Assistant Editor of the Korean American Neurological Association Newsletter 1995
Editorial Board of THyNK (The Hypertext Neurological Knowledgebase) 1997
USC Neurology Web Page- created: 1997
Motive (New Mentor Expert Network) 2010-
Editor in Chief/Publisher of World Korean Medical Journal 2014-2018
Precision and Future Medicine, 2017-

Publication Reviewer:

Ad Hoc reviewer for Epilepsia
 Epilepsy Research
 Acta Neurologica Scandinavica
 Neurosurgery
 Clinical Neurophysiology
 Hospital Physician
 Epilepsy and Behavior
 Journal of Critical Care
 Journal of Medical Case Reports
 Seizure: European Journal of Epilepsy
 European Neurology
 Therapeutic Advances in Neurological Disorders
 Therapeutics and Clinical Risk Management

Professional Organizations:

American Academy of Neurology
American Clinical Neurophysiology Society
American Epilepsy Society
American Headache Society
Association of California Neurologists
Korean American Graduate Medical Association
Korean American Neurological Association
Korean American Medical Association
Korea and American Epilepsy Society
Korean Epilepsy Society
Los Angeles Society of Neurological Sciences
Western Clinical Neurophysiology Society
World Korean Medical Organization

Committee:

NINDS Quality Assurance Review Committee, 1994-95

American Epilepsy Society
 Technology Committee, 1999-2002
 Membership Committee, 2006-2010
 Medical Student and Resident Education 2008-2010, 2012
 Finance Committee, 2014-2017

Epilepsy Foundation of Los Angeles
 Professional Advisory Board of the, 1999-
 Co-chair of the Professional Advisory Board , 2004-

Los Angeles Neurological Society,

Secretary/Treasurer 2000-2001
President 2002
Board of Directors 2003-2017

Epilepsy section of the American Academy of Neurology, 2001-

Korean American Graduate Medical Association
Board of Directors 2012-

Korean American Medical Association
Scientific Committee 1999-
Scientific Program Chair 2012, 2013
Board of Directors 2012-2014
President 2014

Korean American Neurological Association,
Treasurer, 1997-2001
President, 2001-2003
Board of Directors, 2003-

World Koreana Medical Organization
Board of Directors 2014-
Convention Chair 2015
President of USA Chapter 2015
President 2015-

Community Organization/Consultant

Epilepsy Foundation of America
Epilepsy Foundation of Los Angeles – local talks to patients and family
Medical Consultant for the “Medical Diary” TV show episode “Brain Mapping”, 2000
Medical Consultant for the City of Los Angeles Medical Division 2008-
Medical Board of California Expert Reviewer 2010-
New York Health Forum Agenda Committee 2012

USC Committees:

LAC+USC Medical Center, Dept of Neurology Quality Assurance Committee, 1995-
Chair 2001-
USC University Affiliates IPA, Continuing Medical Education Committee, 1997-1998
Reviewer of protocols for the General Clinical Research Center, 1997-
Member of the Neurology Student Advisory Committee, 1998-
Pre-reviewer of Research Committee of the Institutional Review Board of USC, 1999-
Attending Staff Association of LAC+USC Executive Committee, 2000-2009
Neurology Residency Review Committee, 2001-
Council of Clinical Chiefs LAC+USC, 2001-2005
USC University Hospital Pharmacy and Therapeutics Committee, 2003-
Clinical Neurophysiology Fellowship Committee 2005-
Neurology Faculty Appointments and Promotions Committee 2009-2010

Teaching Activities:

- Lecturer to the Thomas Jefferson University medical housestaff for the Neurology section of the Internal Medicine Board Review Course, 1992

- EEG conference, NINDS, NIH. Biweekly 1994-1995
- Preceptor for Neurology Residents in EEG rotation at LAC+USC Medical Center 1995-
- Neurology Lectures to USC 2nd year medical students in Neuroscience Course: Stupor and Coma 1995-
- Neurology Lectures to USC 1st year medical students in Neuroscience Course: Multiple Sclerosis 2001
- Neurologic Exam - Introduction to Clinical Medicine Workshop, to USC 2nd year medical students, 1998-
- Neurology Core Lectures to USC 4th year medical students on Neurology clerkship, Seizures and Status Epilepticus 1995-
- Neuroscience School to USC Neurology Residents, 1995-
- EEG conference, USC Neurophysiology Lab. Weekly, 1995-
- Neurology Morning Report LAC+USC, 2001-
- USC Department of Internal Medicine Residency Core Curriculum Lecture,

Headache, Neuropathy, Neuromuscular Disorders	1998
Epilepsy	1998-2000, 2003-5
Peripheral Neuropathy	2001
Headache	2002
- USC Psychiatry Resident R4 Lecture on Epilepsy 1999-
- Organized the

VIIIth Van Der Meulin Neuroscience Symposium on Epilepsy,	2001
IXth Van Der Meulin Neuroscience Symposium, Advances in Treatment Neurologic Disorders,	2002
Xth Van Der Meulin Neuroscience Symposium, Recent Advances in the Treatment of Neurologic Diseases,	2003
XIth Van Der Meulin Der Meulin Neuroscience Symposium, Advances in the Treatment of Pain,	2004
XIVth Van Der Meulin Der Meulin Neuroscience Symposium, Epilepsy New Treatment,	2007
XVIIth Van Der Meulin Der Meulin Neuroscience Symposium, Epilepsy Medical and Surgical Treatment,	2010

EEG Fellowship at LAC+USC Medical Center and VA LA OPC

Fellows	1995-1996	Christi Heck, M.D., Rodrigo Rodriguez, M.D.
	1996-1997	Phillip Ahn, M.D.
	1997-1998	Jeffery Lopez, M.D.
	1998-1999	Dane Copeland, M.D.
	1998-2000	Jai Hyon Rho, M.D., PhD
	1999-2000	Richard Rison, M.D., Tatiana Maleeva, M.D.
	2000	Laura Kaliyjian, M.D.
	2000-2001	Munther Hijazin, M.D., Abbas Medhi, M.D.
	2001-2002	Gautam Ganguly, M.D., Irena Chilean, D.O.
	2002	Swati Vora, M.D.
	2002-2003	Margarita Oveian, M.D.
	2003-2004	Val Yareema, M.D., Jeanete Straga, M.D.
	2004-2005	Frank Lin, M.D.
	2004-2005	Luis Arrangua, M.D., Teresa Luna, M.D., Yafa Minazad, D.O.
	2005-2006	Hsien Young, M.D., Neil Butani, M.D.
	2006-2007	Johnson Moon, M.D., Steven Sykes, M.D.
	2007-2008	Andy Ly, M.D., Jason Muir, M.D.
	2008-2009	Reed Levine, M.D., Vidya Hawkins, D.O.
	2009-2010	Neda Hedari, M.D., Ron Shatzmiller, M.D.
	2010-2011	Linda Chen, M.D., Parastou Shilian, D.O., Rami Apelian, M.D.
	2011-2012	Harpreet Johl, MD, Adel Olshansky, MD, Stephanie Rothman, DO
	2012-2013	Nazley Ashikian, MD, Justin Cho, MD
	2013-2014	Griour Hartounina, MD, Amaiak Chilingaryan, MD, Tori Gong, MD
	2014-2015	Brian Droker, MD, Askay Shah, MD, Ann Tran, MD

2015-2016 Victor Doan, MD, Sarnaz Karimi, MD, Krishna Pokala, MD
2016-2017 Arnold Brizuela, MD, Lelia Dharki MD, Alex Gevorkyn MD

Epilepsy Fellow at USC/Rancho Los Amigos

2015-2016 Michele Armacost, MD
2016-2017 Eva Sorenson, MD

Research Activities:

Consultant

Westward Pharmaceuticals: designed study and presented to FDA 2009-2017

An International, double-blind, parallel-group, placebo-controlled, randomized study: evaluation of the efficacy and safety of Phenobarbital as adjunctive therapy in participants (≥ 17 to 70 years old) with partial onset seizures

Monosol: designed study and presented to FDA 2016-2017

A Multicenter, Open Label, Cross-Over Study to Assess the Pharmacokinetics and Safety of Diazepam Buccal Soluble Film (DBSF) in Subjects with Epilepsy

Principal Investigator

PET Scan Activation Studies with Vagal Nerve Stimulation, USC 1996-1997, Cyberonics, \$33,756

Ganaxolone in patients with complex partial seizures during pre-surgical monitoring, USC 1997 CoCensys, \$22,940

Gabapentin Monotherapy Trial Protocol 945-213, USC 1997-1998, Parke-Davis, \$43,822

Study SCCA2001 -A pilot open-label evaluation of the safety, tolerability and efficacy of Add-on 534U887 treatment of partial seizures, USC 1997-1998, Glaxo-Wellcome, \$86,650

A multicenter, double-blind, placebo-controlled, randomized, stratified, parallel-group trial of rufinamide as adjunctive therapy in children and adults with inadequately controlled partial seizures, USC 1997-2001 Novartis,, \$152,784

Pregabalin in-patient monotherapy trial: A double-blind, dose controlled, multicenter study in patients with refractory partial epilepsy, USC 1997-1998, Parke-Davis, \$27,020

A multi-centre, double-blind, placebo-controlled study to evaluate the efficacy and safety of SB 204269 as add-on therapy in patients with refractory simple or complex partial seizures, USC 1997-1999, Smith Kline Beecham, \$58,736

Pregabalin add-on trial: A double-blind, placebo-controlled multicenter study in patients with complex partial seizures, USC 1998-2005 ,Parke-Davis/Pfizer, \$100,000

A multicenter, double-blind, placebo-controlled, randomized, parallel-group trial of rufinamide as adjunctive therapy in patients with inadequately controlled primary generalized tonic-clonic seizures, USC 1998-2001, Novartis, \$34,802

An evaluation of Lamotrigine versus carbamazepine, phenytoin, or divalproex sodium as monotherapy treatment for epilepsy patients who have failed a previous course of antiepileptic drug therapy, USC 1998-1999 , Glaxo-Wellcome, \$6,900

Serial magnetoencephalographic source localization of vagus nerve stimulated brain structures, USC 1998-1999, National EpiFellows Foundation, \$5,000

A multicenter, double-blind, randomized, parallel group study comparing the safety and efficacy of 3,000 mg of levetiracetam to 1,000 mg of valproate used as monotherapy in epileptic patients with complex partial seizures, USC 2000, UCB Pharma, \$9,000

A Multicenter, Double-blind, Randomized, Placebo-controlled, Parallel Group Trial to Investigate the Efficacy and Safety of SPM 927 (200 mg/day, 400 mg/day, 600 mg/day) as Adjunctive Therapy in Subjects with Partial Seizures with or without Secondary Generalization, USC 2003-, Schwarz Pharma

Double blind randomized trial of cognitive effects of Lamictal vs Topirmate in Epilepsy. USC 2003-2004

Glaxo-Smith Kline \$ 6,365

A Multicenter, Double-blind, Randomized, Placebo-controlled, Parallel Group Trial to Investigate the Efficacy and Safety of SPM 927 (400 and 600 mg/day) as Adjunctive Therapy in Subjects with Partial Seizures with or without Secondary Generalization, USC 2004-, Schwarz Pharma

A Multicenter, Double-Blind, Randomized, Parallel-group Evaluation of LAMICTAL-XR Adjunctive Therapy in Subjects with Partial Seizures. USC 2004-2006 Glaxo-Smith Kline

A Multicenter, Double-Blind, Randomized, Parallel-group Evaluation of LAMICTAL-XR Adjunctive Therapy in Subjects with Primary Generalized Tonic-Clonic Seizures USC 2004-2006 Glaxo-Smith Kline

A double Blind, Placebo-Controlled, Dose Escalation, Parallel-Group Study of E2007 given as adjunctive therapy in patients with refractory partial seizures. USC 2005-2006 Esai

A randomized, double blind, Placebo-Controlled, Multicenter, Parallel-Group Phase 3 Study to determine the efficacy and safety of Retiagabine used as adjunctive therapy in patients with refractory epilepsy patients with partial seizures. USC 2005 -2006- Valeant

A Multicenter, Open-Label Trial to Investigate The Safety and Tolerability of Intravenous SPM 927 as Replacement for Oral SPM 927 In Subjects with Partial Seizures With or Without Secondary Generalization. USC 2006-2009 – Schwarz Pharma

A Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, Multicenter Study to Evaluate the Efficacy, Safety and Tolerability of RWJ-333369 as Adjunctive Therapy in Subjects with Partial Onset Seizures Followed by an Open-Label Extension Study. USC 2006-2009 – Johnson and Johnson

An international, double-blind, parallel-group, placebo-controlled, randomized study: evaluation of the efficacy and safety of brivaracetam in subjects (z 16 to 70 years old) with Partial Onset Seizures UCB N01253 , USC 2006-2009

Co-investigator

Felbamate monotherapy in adults with complex partial seizures undergoing inpatient video-EEG monitoring, NIH 1992-1994. Carter Wallace

Felbamate Add-on Drug Trial in Lennox Gastaut Syndrome, NIH 1992-1994. Carter Wallace

Magnetoencephalography in Epilepsy, NIH 1992-1995. NIH

Electroencephalography Dipole Localization in Epilepsy, NIH 1992-1995. NIH

Polysomnography in Neurological Disorders, NIH 1992-1995, NIH

Lamotrigine Add-on Drug Trial in Adults with partial epilepsy, USC 1995-1997
Glaxo-Wellcome, \$71,477

Tiagabine Add on Drug Trial in Adults, USC 1996-1997. Abbott, \$136,048

T Cell Vaccination in Multiple Sclerosis: A phase I clinical trial, USC 1997-1999
Norris Foundation, \$236,568

Immunomodulation in pregnant and postpartum Multiple Sclerosis Patients,
USC 1997-2000, PI Wendy Gilmore Ph.D . NIH, \$1,575,273

A randomized, double blind, placebo-controlled study to evaluate the efficacy of Avonex in the treatment
of secondary progressive multiple sclerosis, USC 1998-2000. Biogen, \$120,000

A multinational, multicenter, double-blind, placebo controlled study to evaluate the efficacy, tolerability
and safety of glatiramer acetate for injection in primary progressive multiple sclerosis patients, USC 1999-
2001. TEVA Marion Partners, \$600,000

T-cell vaccine - A Clinical Trial for Progressive MS, USC 1999-
NIH and Multiple Sclerosis Society, \$2,500,000

Radiosurgical Treatment of Temporal Lobe Epilepsy, USC 2002-. NIH, \$202,100

Randomized double-blind, parallel-group, placebo-controlled, single attack evaluation of the efficacy and
tolerability of Trexima (Sumatriptan 85 mg/naproxen sodium 500 mg) tablets vs placebo when
administered during the mild phase of a migraine. USC 2004-2005. Glaxo-Smith-Kline

A Double Blind Trial Comparing the Efficacy, Tolerability and Safety of Monotherapy Topiramate and
Phenytoin in subjects with Seizures Indicative of New Onset Epilepsy. USC 2004- Ortho-McNeil

Occipital Neuralgia and its relationship to Migraine headache : Retrospective chart analysis USC 2006-

Radiosurgery or Operation Surgery for Epilepsy II (ROSE II) NIH, PI Christi Heck

Brain Control of Hand: Reverse Engineering Brain Control of the Hand PI Francisco Valero-Cuevas, USC
2015-

Advanced Control Theory: Closed-Loop Multisensory Brain-Computer Interface for Enhanced Decision
Accuracy: PI Maryam Shanechi, USC 2015-

REMIND Project for Development of a Human Memory Prosthetic; PI Christi Heck, USC 2016

Serum Particularly Interesting New Cystidine rich (PINCH) levels as a Biomarker for severity of
Epilepsy: PI Jonathan Russin, NIH, DOD 2016-

Responsive Neurostimulator System (RNS) post-approval study in epilepsy Clinical investigation Plan: PI
Christi Heck, Neuropace 2016-

Engineering Artificial Sensation : PI Charles Liu, USC 2017

Hippocampal Neuronal Ensembles: PI Christi Heck, Kernel 2017
