VOCATIONAL REHABILITATION EXPERT

As principal of his vocational rehabilitation expert witness firm, Mr. Soja brings more than 40+ years of professional experience in vocational rehabilitation assessment, return to work planning, job analysis, job placement, vocational testing, employability wage earning capacity assessment and credible, persuasive vocational expert testimony before factfinders.

Mr. Soja's firm has grown to over a dozen highly specialized vocational experts, some licensed and board certified vocational experts; but all of whom are nationally certified rehabilitation counselors, with a combined 100+ years of vocational expert witness testimony experience. Qualified in federal, state and probate courts; serving both sides of the bar. Offices located in MA, CT, NY and CA. Nationwide availability.

Specialization in serious w-comp, personal injury, employment law, family law, disability (ERISA), Social Security and Veteran law (TDIU & Camp Lejune) and transitioning youth and adults to competitive jobs in the labor force.
