CURRICULUM VITAE

DUDLEY SETH DANOFF, M.D., F.A.C.S.
DIPLOMATE, AMERICAN BOARD OF UROLOGY
FELLOW, AMERICAN COLLEGE OF SURGEONS

Award-Winning Urologist. Active clinical practice at Cedars-Sinai Medical Center. UCLA Faculty. Princeton (summa cum laude) and Yale (honors) educated, Columbia trained. Significant research experience as a principal investigator and sub-investigator. National and international speaking experience. Author of several books and numerous peer-reviewed articles. Former Urology Surgeon-in-Chief to the King of Thailand. Highly experienced expert witness - has reviewed hundreds of legal cases and testified in dozens of depositions and trials.

Professional Experience

Attending Urologic Surgeon, Cedars-Sinai Medical Center, *Los Angeles, CA*

Attending Urologic Surgeon, Clinical Facility, Department of Surgery Urology, University of California at Los Angeles, *Los Angeles, CA*,

Attending Physician, Surgical Service, Veterans Administration, *Los Angeles, CA*

Major, United States Air Force, USAF Medical Center, Kessler Air Force Base, *Mississippi*

Assistant Surgeon, Tulane University School of Medicine, Department of Urology, *New Orleans, LA*

Consultant in Urology, New Orleans Veterans Administration Hospital, *New Orleans, LA*

Assistant in Urology, Columbia University College of Physicians and Surgeons, *New York, NY*

Education

Yale University School of Medicine, Alpha Omega Alpha, Medical Honorary Society, *New Haven, CT*

Clinical Fellowship: Pediatric Surgery, Boston Children's Hospital, *Boston, MA*

Internship: Surgery, Columbia-Presbyterian Medical Center, *New York, NY*

Surgery Residency: Resident in Surgery, Yale-New Haven Medical Center, *New Haven, CT*

Urology Residency: Urologic Surgery, Squier Urologic Clinic, Columbia-Presbyterian Medical Center, *New York, NY*

Undergraduate: Princeton University, Phi Beta Kappa; Summa cum Laude; Society of Sigma XI, (Scientific Honorary), *Princeton, NJ*

Honors

Phi Beta Kappa, Princeton University

Summa Cum Laude, Princeton University

Society of Sigma XI, Scientific Honorary Society, Yale University

Juday L. Magnes Medalist, Hebrew University of Jerusalem

Alpha Omega Alpha, Medical Honorary Society, Yale University

Anti-Defamation League, Outstanding Achievement and Community Service Award

Sheba Medical Center, Israel: Albert Schweitzer Award

Israel Cancer Research Foundation (I.C.R.F.) Excellence in Medicine Award

Appointed Urology Surgeon-in-Chief to His Majesty Bhumibol Adulyades, King of Thailand

Endowed Chairs

The Dudley Seth Danoff, M.D., Chair in Urologic Research at the Hebrew University of Jerusalem.

Audiovisual Presentations

1. Complications and Problem Solving in Laparoscopic Urologic Surgery: Nine-minute teaching video. Los Angeles, California. First presented at Interventional Laparoscopy in Urology Course, Palm Springs, California.
2. Laparoscopic Bladder Neck Suspension in Porcine Model: Five-minute teaching video. Los Angeles, California. First presented at European Association for Endoscopic Surgery, AMC Medical Center, Amsterdam, Netherlands.
3. Laparoscopic Pelvic Lymphadenectomy: 11-minute teaching video. Los Angeles, California. First presented at the American College of Surgery.
4. Laparoscopic Varicocele and Cryptorchidectomy: Nine-minute teaching video. Los Angeles, California.
5. Danoff, Dudley S., Video: "Technique for Laparoscopic Pelvic Lymphadenectomy."
6. Laparoscopic Surgical Procedures in Urology Porcine Model: 15-minute teach video. Cedars-Sinai Medical Center, Los Angeles, California. First presented at the Institute for Advancement of Laser Surgery, Phoenix, Arizona.

Teaching Experience

1. "Medical Problems Associated with Erectile Dysfunction," Guest Lecturer, AASECT 46th Annual Conference, Monterey, CA.

2. "Prostate Cancer Update," Cedars-Sinai Medical Center, Guest Lecturer.
3. "What You Should Know About Prostate Carcinoma," ICRF, Guest Lecturer, Los Angeles, CA.
4. Visiting Professor, Mahidol University Faculty of Medicine, Siriras Hospital, Bangkok, Thailand.
5. "Male Hypogonadism: Prevalence, Diagnosis and New Treatment Strategies," St. Louis University School of Medicine (SLU). Guest Lecturer.
6. "Prostate Cancer Treatment and Urinary Incontinence," Pfizer Forum for the Physician, Santa Monica, CA. Guest Lecturer.
7. "New Approaches in Urologic Treatments – Erectile Dysfunction and Prostate Cancer," Conference for the Primary Care Physician, Los Angeles, CA. Guest Lecturer.
8. "Diabetes, An Equal Opportunity Disease: Sexual Issues for Men," American Diabetes Association Symposium, Los Angeles Chapter, Universal City, CA. Guest Lecturer.
9. "Sex After Cerebrovascular Accident." Symposium, Palm Springs Stroke Center, Palm Springs, CA. Guest Lecturer.
10. "Carcinoma of the Prostate: There is Hope." Chairman, Inaugural North American Conference, Shaare Zedek Medical Center, Jerusalem, Israel. Guest Lecturer.
11. World Meeting ISIR (International Society Impotence Research), Presentation: "The Tower Urology Model for the Treatment of Male Sexual Dysfunction," San Francisco, CA. Guest Lecturer.
12. "Diabetes and Sexual Dysfunction: The Urologist's Role." Cedars-Sinai Medical Center Diabetes Forum, Los Angeles, CA. Guest Lecturer.
13. "Prostate Cancer: What's New and Exciting." Pomona Valley Hospital, Pomona, CA. Guest Lecturer.
14. Department of Urologic Surgery, Chaim Sheba Medical Center, Israel. Visiting Professor.
15. Department of Surgery-Urology, Shaare Zedek Hospital, Jerusalem, Israel. Visiting Professor.
16. Tel Hashomer Medical Center, Department of Urology. Tel Aviv, Israel. Visiting Professor.

17. California Association of Operating Room Technologists: "Laparoscopic Pelvic Lymphadenectomy," University of California at Irvine, Irvine, CA. Guest Lecturer.
18. California Association of Operating Room Technologists: "Laparoscopic Pelvic Lymphadenectomy," University of California at San Francisco, San Francisco, CA. Guest Lecturer.
19. "Advanced Laparoscopy for the Urologist," Cedars-Sinai Medical Center, Los Angeles, CA.
20. California Association of Operating Room Technologists: "Laparoscopic Pelvic Lymphadenectomy," Los Angeles, CA. Guest Lecturer.
21. "Advanced Laparoscopy for the Urologist," Cedars-Sinai Medical Center, Los Angeles, CA.
22. "Laparoscopy for the Urologist," Cedars-Sinai Medical Center, Los Angeles, CA. Course Director.
23. California Association of Operating Room Technologists: "Laparoscopic Pelvic Lymphadenectomy," Los Angeles, CA. Guest Lecturer.
24. Visiting Professor, University of British Columbia, Faculty of Medicine, Division of Urology, Vancouver, British, Columbia.
25. Visiting Professor, Sapir Medical Center, Meir General Hospital and Beilinson Medical Center, Sackler School of Medicine, Tel Aviv University, Israel.
26. Visiting Professor, Department of Urology, Ramban Medical Center, Technion University, Haifa, Israel, (Lectures and O.R. Demonstration of Laparoscopic Surgery).
27. Interventional Laparoscopy for the Urologist. Educational Course. American Laparoscopic Associates, Inc., Annenberg Center at Eisenhower Medical Center, Palm Springs, CA. Course Director.
28. Laparoscopy for the Urologist. Houston Laser Institute, Honolulu, HI. Course Director.
29. Interventional Laparoscopy for the Urologist. Cedars-Sinai Medical Center, Los Angeles, CA.
30. Laparoscopy for the Urologist. Houston Laser Institute, Orlando, FL. Course Director.
31. Interventional Advanced Laparoscopy for the Urologists: A Training Seminar, sponsored by Puerto Rico Urologic Association, San Juan, Puerto Rico. Course Director.

32. "Advanced Laparoscopy for Urologists." Houston Laser Institute, Torrance, California. Faculty.
33. "Hands-On Laparoscopy Training Seminar for Urologists," Sierra Medical Center and Beaumont Army Medical Center, El Paso, Texas. Faculty.
34. Laparoscopy for Urologists. Houston Laser Institute, Torrance, California. Course Director.
35. Interventional Laparoscopy for the Urologist. Educational Course. American Laparoscopic Associates, Inc., Annenberg Medical Center, Palm Springs, CA. Course Director.
36. Laparoscopy for the Urologist. Educational Course, Houston Laser Institute, Orlando, FL. Course Director.
37. "Advanced Laparoscopy for Urologists." Houston Laser Institute, Orlando, Florida. Faculty.
38. Laparoscopic Techniques in Urology, Rambam Medical Center, Haifa, Israel. Course director.
39. Laparoscopic Surgery in Urology. State-of-the-Art Course, UCLA Medical Center, Los Angeles, CA. Guest Faculty.
40. Interventional Laparoscopy for the Urologist. Educational Course. American Laparoscopic Associates, Inc., Annenberg Center at Eisenhower Medical Center, Palm Springs, CA.
41. "Interventional Laparoscopy for the Urologist." Multiple training seminars, Eisenhower Medical Center, Annenberg Research Center, Rancho Mirage, California. Course Director.
42. Urology Grand Rounds. Laparoscopic Pelvic Node Dissection. Harbor-UCLA Medical Center, Los Angeles, CA.

Clinical Research

1. Multicenter, randomized, phase 3 study to evaluate efficacy and tolerability of intravesical Vicinium in subjects with noninvasive carcinoma in Situ (CIS) and/or high-grade papillary disease of the bladder previously treated with Bacillus Calmette-Guerin (BCG). Viventia Bio. Sub-investigator.
2. Randomized double-blind, placebo-controlled parallel study to assess the impact of testosterone solution vs. placebo on total testosterone levels, sex drive and energy in hypogonadal men. Sub-investigator.

3. Multicenter phase 2 randomized, double-blind, efficacy and safety study of enzalutamide vs. bicalutamide in men with prostate cancer who have failed primary androgen deprivation therapy (STRIVE). Sub-investigator
4. Multicenter, Single-arm open table treatment protocol to provide expanded access to MDV 3200 and monitor its safety in patients with progressive castration-resistant prostate cancer previously treated with docetaxel-based chemotherapy. Sub-investigator
5. Phase II open-label study of the effect of GTX-758 as a secondary hormonal therapy on serum PSA and serum-free testosterone levels in men with metastatic castration-resistant prostate cancer maintained on androgen deprivation therapy. Sub-investigator
6. Multicenter Clinical Study of the Sonablate 500 for the treatment of locally recurrent prostate cancer with H.I.F.V. Sub-investigator
7. Double-blind, randomized, placebo-controlled trial of the safety and efficacy of Ozarelix in patients with LUTS due to BPH. Principal Investigator.
8. Safety and efficacy trial of oral Flibanserin (50 mg. and 150 mg.) once daily in men aged 25-64 with hypoactive sexual desire disorder (HSDD), randomized, double-blind, placebo-controlled. Principal Investigator.
9. Randomized, controlled new drug trial of intermittent androgen deprivation therapy vs. continuous androgen deprivation therapy with leuprolide or new drug in patients with carcinoma of the prostate with biochemical (PSA) failure after localized therapy. Principal Investigator.
10. Double-blind, randomized, placebo-controlled study evaluating treatment with topical oxybutynin in patients with urinary frequency, urgency and incontinence. Principal Investigator.
11. Spectrum bladder cancer study to evaluate intravesical EOquin as a surgical adjuvant in the treatment of non-invasive bladder cancer (TCC) post-transurethral resection (TURBT). Principal Investigator.
12. Treatment of bacterial prostatitis. Bristol Meyer Squibb. Sub-investigator.
13. Treatment of overactive bladder. Pfizer. Sub-investigator.
14. Cetrorelix pamoate use in patients with symptomatic benign prostatic hyperplasia (BHP), safety and efficacy assessment. Clinical Phase III Study. Principal Investigator. (2008)
15. Evaluation of the effectiveness of pre-urethral Botox™ instillation in the treatment of idiopathic urinary incontinence. Sub-investigator. Allergan

16. Yamanouchi overactive bladder study, VESIcare, Phase III. Sub-investigator.
17. CRC (2003)**. An evaluation of Attenuex™ Intravesical System in the management of female patients with stress urinary incontinence. Sub-investigator. Solace
18. Lilly Icons Cialis open-label treatment for ED. Principal Investigator. CRC**with no date.
19. Pfizer Viagra open-label patient satisfaction. Principal Investigator. CRC
20. Alpha Phase IV comparison Ditropan-XL to Detrol LA (Protocol C2001-019).
21. Yamanouchi Protocol 905-CL-020. Nocturia.
22. Roche Phase II Treatment for Stress Incontinence. CRC
23. Pharmacia, Detrol-SR. Treatment for Nocturia Phase III. CRC
24. GSK dutasteride in prostate cancer prevention. Phase III Sub-investigator.
25. Alza oral treatment for rapid ejaculation. Principal Investigator.
26. Detrol: Quality of life study.
27. Ditropan-XL: quality of life study.
28. Interneuron trospium chloride in treatment of overactive bladder (Protocol IP 631-003).
29. Effect of prostaglandin-E2 gel, including erections for patient's post-radical prostatectomy.
30. Apomorphine sublingual Phase III: oral treatment for erectile dysfunction.

Professional Societies
